About Reboot Education

Reboot Education was founded by Paul Arch and Viv Hunt. Both Paul and Viv were experienced senior school leaders before setting up Reboot Education. Paul and Viv opened their first alternative education provision in central Ipswich at the start of 2024. Since opening the provision, demand for our service has increased greatly over the last year, which has resulted in Reboot Education opening a second provision in Bury St. Edmunds and moving to a larger base in Ipswich which opened at the start of the Summer Term 2026.

Our provisions are purposefully small and are set up not to feel like a conventional school. We support up to 6 students per day in our Bury Provision and up to 10 students at our larger Ipswich provision.

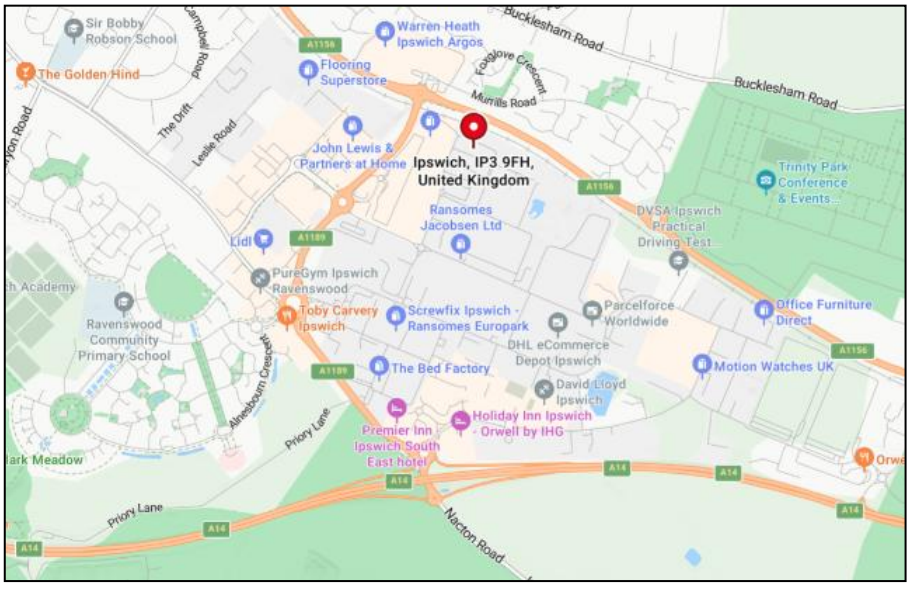

The students who access our provision attend from 1 to 3 days per week and are usually struggling to maintain their mainstream school place. We use a computing and technology-based curriculum to re-engage the students in learning and to help them rediscover their self-esteem and confidence.

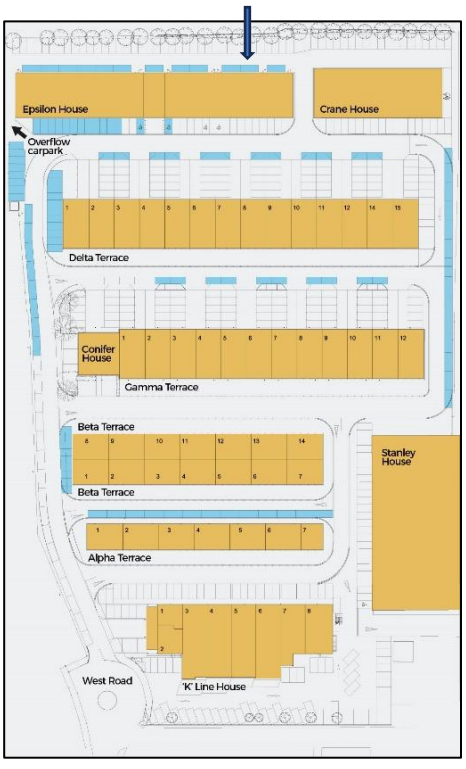

Our provision days start at 9.30 am and finish at 2.30 pm. We normally give the students the first 30 minutes of the day to come in and have breakfast and complete a settling task. At 10 am we start the first learning activity of the day, with a break at around 11 am. Following the morning break there is another learning activity and then at 12pm we stop for a lunch break. Between 1pm and 2.00 pm the students complete a final learning activity and then if they have worked hard, they have some reward time before they leave at 2.30 pm. Most of our students travel to and from Reboot Education via Taxi.

Location of the Role:

This role will be based at our Ipswich provision, which is located at **8 Delta Terrace, West Road, Masterlord Village**. The building is on two levels with well-equipped teaching spaces on both floors. This building will open as our provision base from April 2026, as we are moving from our current location, due to the need for more space.

There is plenty of free onsite parking with a local café just a minutes' walk and a children's nursery also located at Masterlord Village. The site is easily accessible and is just 5 minutes from the Ransomes A14 junction.
