Dr. Kristina Nelson Announces Candidacy for Corpus Christi City Council District 4

CORPUS CHRISTI, Texas - Dr. Kristina Nelson, a licensed professional counselor, educator, business owner, and community leader, today announced her candidacy for Corpus Christi City Council District 4.

A longtime Corpus Christi resident, Dr. Nelson has dedicated her career to strengthening families, supporting children, and helping individuals overcome life's challenges. Through her work as founder of Compass Counseling & Community Outreach, educator, and nonprofit leader, she has spent years serving the Coastal Bend and working to improve the quality of life in the community she proudly calls home.

"Corpus Christi is a city with tremendous potential," Nelson said. **"I am running because I believe local government should focus on affordable long term water security, public safety, strong neighborhoods, responsible spending, and creating opportunities for families and businesses to succeed. City Hall works best when it listens to residents, respects taxpayers, and focuses on practical solutions."**

Dr. Nelson brings decades of professional leadership experience to the race. As a Licensed Professional Counselor, National Certified Counselor, educator, and advocate for children and families, she has worked with people from all walks of life and understands the importance of accountability, fiscal responsibility, and service to others.

"I believe government should focus on its core responsibilities and deliver results," Nelson stated. **"Residents want safe neighborhoods, reliable infrastructure, responsible stewardship of public funds, and leaders who are accessible and willing to listen. Those principles will guide every decision I make."**

Nelson emphasized the importance of protecting the values that have made Corpus Christi strong while planning responsibly for future growth.

"We must be thoughtful about how our city grows and how taxpayer dollars are spent. Strong leadership means making decisions based on facts, fiscal responsibility, and what is best for the people who live, work, and invest in our community."

Dr. Kristina Nelson's campaign will focus on several key priorities:

- Focus on affordable, long term water security for all water customers in Corpus Christi and the Coastal Bend Region.
- Improving the safety of neighborhoods with strong support for Law Enforcement, First Responders and their needed equipment, technology to protect and serve our citizens.
- Improving streets, drainage, and city infrastructure with responsible budgeting and protecting taxpayer dollars; always keeping the taxpayer and ratepayer in mind while moving the City to live within our financial means.
- Enhancing the quality of life, making Corpus Christi a great place to live and raise a family
- Transparent, accountable, and responsive city government for its citizens, while supporting small businesses and encouraging economic growth.

Throughout the campaign, Nelson plans to meet with residents across District 4 to hear their concerns and discuss solutions that strengthen neighborhoods, support families, and improve city services.

“Public service is about putting the community first,” Nelson said. “I look forward to earning the trust and support of District 4 voters and working together to keep Corpus Christi moving forward.”
