# **Our Commitment Statement to Safeguarding Children**

---

**At Melbourne School of Tennis, we have a zero-tolerance policy to any form of child abuse and are committed to ensuring that all children and young people involved in tennis feel safe, respected and supported.**

**Our approach to safeguarding children is reflected in our policies, procedures, and the way we work with our students, young people and families.**

**It is imperative that all children and young people who access our classes and programs feel safe and supported.**

**Our commitment extends beyond creating an environment that minimises risk or danger. We are committed to building an environment that is both child-safe and child-friendly.**

**Together we can provide an environment in which children feel respected, valued and encouraged to reach their full potential.**

**Child safety is everyone's responsibility, and we are dedicated to making sure it is embedded in the culture of tennis.**
