NOTICE

Sisters and brothers,

As you may be aware, there are numerous problems within this organization which PRT management continues to disregard.

There are over 80 of our sisters and brothers unjustly terminated due to the mandate, scheduling of runs continues to be downright awful for the last several picks & because of the way our members are treated, the morale is at an all-time low.

So, while **YOU** sisters and brothers, are the best in the business at what you do, until PRT management resolves these issues and realize the value which all of you provide to this enterprise, I strongly advise that ATU Local 85 members decline to participate in the PRT rodeo.

In Solidarity,

Ross
