Fuel Injector Service Form

Name: _____ Date: ___/___/___

Street Address: _____

City: _____ State/Prov: _____ Zip / Postal: _____

Phone: _____ E-mail: _____

Vehicle (or motor) Make and Model: _____

Describe any specific issues you are concerned about, or other relevant information:

Service Options:

As Needed Service: CFIS will flow test your injectors. If they do not require cleaning you will only be charged for the flow test. If cleaning is necessary we will continue with this process at our discretion. The full service includes a flow sheet with test results as well as new seals and filters if applicable. If we test only the filters and o-rings will not be replaced. Standard turn-around is 1 business day.

Flow Testing and Cleaning: We will flow test, clean, and re-test your injectors regardless of initial results. Includes a flow sheet with test results as well as new seals and filters if applicable. Standard turn-around is 1 business day.

Flow Testing Only: CFIS will flow test, clean, and re-test your injectors regardless of initial results. Includes a flow sheet with test results This service does not include new seals or filters. Standard turn-around is 1 business day.
