Join Our Team as General Manager of Mine Operations

We're seeking a skilled and experienced General Manager to oversee all facets of our mining sites, from exploration through to production, including the construction of processing facilities on-site. We have numerous mines, including gold, graphite, cobalt, tantalum, and lithium, with managers being assigned based on fit. The job position may be managing one or possibly more sites in a local geographic area.

Position: General Manager of Mine Operations
Locations: Tanzania, Mozambique, and Zimbabwe
Type: Full-time

Role and Responsibilities:

- Lead and manage all operational activities of the mine site, ensuring safety, efficiency, and compliance with regulations.
- Oversee exploration efforts to identify and evaluate mineral reserves.
- Develop and implement strategic plans for production, optimizing resource utilization and maximizing output.
- Direct the construction of processing facilities on-site, ensuring they meet operational requirements and regulatory standards.
- Manage budgets, resources, and timelines effectively to achieve operational targets.
- Foster a culture of safety, environmental stewardship, and continuous improvement among staff.
- Collaborate with stakeholders, including regulatory agencies, local communities, and internal departments, to achieve operational objectives.

Requirements:

- Bachelor's degree in Mining Engineering, Geology, or related field (Master's preferred).
- 10 years proven experience in mine site management, including exploration, production, and process facility construction and operation.
- Familiar with National Instrument 43-101.
- Mine Manager's Certificate of Competency (essential).
- Project Management Professional (PMP) certification highly preferred.
- Strong leadership skills with the ability to inspire and motivate teams.
- Excellent communication and interpersonal abilities.
- Knowledge of relevant mining regulations and best practices.
- Commitment to safety, environmental sustainability, and ethical business practices.
- Ability to pass a security check and financial fitness assessment.

Benefits:

- Competitive salary and benefits package.
- Opportunities for professional development and advancement.
- Chance to work with a dedicated team in a dynamic and rewarding industry.

Apply now by submitting your resume and cover letter detailing your relevant experience and qualifications to contact@zuragroup.org, with subject line: General Manager of Mine Operations. Join us in shaping the future of mining operations!
