# WHAT IS A VIRTUAL DECISION MAKER?

What does [LEVTEC.AI](#)'s PhantomForce vDM offer?

- Acts as a frontline buffer, deflecting and filtering sales pitches.
- Evaluates genuine opportunities, based on business needs.
- Provides a bi-weekly sync recapping communications and industry updates.
- Includes LEVTEC's traditional software advisory and procurement services

What's the magic?

- AI-generated employee so real, salespeople won't suspect a thing.
- A dedicated firm email and phone, seamlessly managed by the LEVTEC team.
- Optional social media presence drawing attention away from your team.

Why It's a Win for You?

- Less Distractions: Let your team thrive in a disturbance-free zone.
- Spot Opportunities: With LEVTEC's oversight, no genuine pitch goes unnoticed.
- Stay Ahead: Adopt a pioneering, cutting-edge strategy that screams innovation.

#flexiblesolutions
