To provide quality care to patients in their homes for the purpose of minimizing the effects of illness, accident or disability in the most cost efficient/effective manner available. This agency commits to the rehabilitation of ill individuals for the purpose of allowing maximum contribution, retention of self-respect & independence.

### Personal Message from Administrator

Our agency is committed to your satisfaction! We hire only fully trained, licensed & highly qualified individuals who possess the characteristics & principles this agency was founded on. Along with these traits, they must be caring & compassionate in every way. We are proud to say that many families, physicians & discharge planners praise our services. We humbly accept the compliments & continue to strive for excellence in care.

### Patient Testimonials

- "The staff was extremely caring & professional."
- "Your agency was the key to my mothers recovery"
- "In a nutshell, they cared for my dad like he was family."
- "I was most impressed with the attention given to my mom, the attention to detail, & your overall thoroughness."
- "Your nurse was friendly, professional & receptive. My family liked her not only as a nurse but as a person."
