

*Namaste!*

I'm Amrit Tiwari

DIRECTOR /ANALYTICS EXPERT

As a dedicated Analytics Expert with extensive experience in Power BI, I thrive on transforming raw data into actionable insights. My passion for data analytics drives me to leverage advanced visualization techniques to help organizations make informed decisions and optimize their performance.

With a strong foundation in data modeling, DAX, and SQL, I specialize in creating interactive dashboards that tell compelling stories. I have successfully collaborated with cross-functional teams to deliver data solutions that enhance business intelligence and streamline processes.

I am committed to continuous learning and stay updated with the latest trends in analytics and BI tools, ensuring that I bring innovative solutions to the table.
