Erdmann is a photographer,

photographic educator and writer who resides in Will County, Illinois. He has photographed throughout North America, making the Midwest his primary geographic area of interest. A love of history, especially the maritime history of the Great Lakes, kindles a special interest in the ports, shorelines, islands, hardwood forests, prairies and other natural areas of Lakes Michigan and Superior and their surrounding environs.

His images explore two main genres. He uses line, shape, form, color, pattern, texture and movement in nature to create images that come from his soul through his eyes. He tries to capture the feeling he has at the time of seeing something that makes him want to photograph it. He is constantly expanding on the "art of fixing a shadow" with over forty

President's Letter:

Hello there! I hope this February newsletter has you feeling a little warmer than our January one. It is great to get into the shortest month of the year and then we will be thinking spring! We had such a nice time at our Show and Tell meeting in January. Thank you to all those that could attend!! There was a lot of great things shown by our members and we even had a couple guests attend who also shared. If you want to see some pictures from the show and tell meeting, visit <https://photos.app.goo.gl/rUnNEtYgiKemLDB76>

As we look into February and March, our speakers will be on photography and metal sculpture, with two very interesting speakers and we hope you can attend! I also want to mention that our own LAG member, Mona Parry, has her artwork on display at Pollyanna Brewing Company (431 Talcott Ave, Lemont, IL) in partnership with Lemont Center for the Arts/Art and Culture Commission of Lemont. Mona is a longtime Commissioner with the Art and Culture Commission of Lemont and member/former president of Lemont Artists

Guild. Her artwork is beautiful! She is originally from Lemont and has been an active part and worked very hard for the commission for many years. Congratulations to Mona on her wonderful artwork on display! In addition, another LAG Member, Nancy Bentley, will be exhibiting her work in a one day Fine Arts and Crafts fair on Sun., Feb. 22 at the Crestwood Recreation and Wellness Center from 10 am to 2 pm, located at 5331 135th St, Crestwood, IL 60445. Nancy also has beautiful artwork and there will be other artists/crafters there, so, if you can make it, please visit the fair and check out the creativity! ALSO, If you are interested in exhibiting, I put the application on our website, <https://lemontartistsguild.org/downloads>

The deadline is Feb. 16 or until spaces are full.

As we move into the 2nd half of our program year, we will be thinking about planning our next year's (26-27) speakers. If you have an idea for a speaker/program, please let us know. Our email is listed below.

Hope to see you at one of our upcoming events!
