

The Lakritz Marcus Family Women's Softball Volunteer Initiative with Peace Neighborhood Center

July 26th and August 1st 2023

Highlighting Incredible Leadership

- The Leadership Development Camp is an annual six-week program at Peace Neighborhood Center that aims to empower and inspire young minds - and this year's event was no exception.
- The Michigan Softball Team participated in two days of the program.
- Day 1: Michigan Softball players, Hannah George and Lillian Vallimont, demonstrated exceptional leadership throughout the day conducting a fun and instructional Softball clinic.
- Day 2: Ava Costales, Janelle Illacqua, and Ella Stephenson organized kickball games to teach the kids about working together and excelling as a team.

Highlighting Incredible Leadership

- Through various interactive activities and games, the student-athletes made the learning process enjoyable and engaging.
- The genuine smiles and laughter on the faces of both the kids and the student-athletes showcased the positive atmosphere they created together.

Encouraging Academic Excellence

- Beyond the softball clinic, Hannah and Lillian played a bonus role in encouraging academic growth among the kids.
- They graciously volunteered to judge the scientific research projects the children had been working on, showing their commitment to both sports and education.
