

DEMONSTRATIVE SESSION CONSENT

I understand that NeurOptimal[®] is not a medical treatment, device or methodology. It is not used to diagnose medical disorders nor is it used as a medical treatment for disorders and has not been approved for any medical purpose by the FDA, Health Canada or any other governing agency. While my Trainer may or may not be a licensed health care practitioner, I understand that my use of NeurOptimal[®] is solely as a tool for brain training and optimization and not as a means of diagnosis or as a medical intervention. I understand that it is not possible to predict what any central nervous system will do with the information it is offered and consequently there can be no guarantee as to the results of my or anyone else's training. I understand NeurOptimal[®] is purely a source of information and does not direct the response of the central nervous system. Consequently I agree to not hold Zengar Institute Inc. responsible for a less than desired outcome or any outcome that may be considered negative.
