Romeoville Lodge 15

Scholarship Program

The Romeoville Fraternal Order of Police Lodge 15 believes in helping others within the community. As a benevolent organization in the Village of Romeoville, Lodge 15 believes in giving back to the community. The Romeoville Police Department donates annually to people in need of assistance. One way to carry on this tradition is by investing in the future of young adults. Today's young adults are tomorrow's leaders.

College costs are rising each year making it difficult for many young adults to afford a higher education. Many young adults drop out of college early, cannot go the University of their choice, or do not go to college at all because of the huge financial burden. We hope to make a difference in the community through the assistance our Scholarship fund provides.

Romeoville FOP Lodge 15 is looking for Romeoville High School students pursuing a career in First Responders (i.e. police officers, firefighters, paramedics, nursing, etc.), in need of financial assistance for their education. The number and value of scholarships available varies depending on available funds.

Romeoville High School students interested should complete the attached form and submit it to the Lodge for consideration. Please include a short essay describing why you are wishing to become a First Responder and how college will help you achieve this goal. Include a list of activities and community service events you participated in along with all awards you received. Deadline is May 1st.
