Welcome!

First of all, welcome home to the Permian Basin!

If you're new here, you may have heard all kinds of scary stories...

“There's nothing to do there...nothing but oilfield...it's just so brown!”

Well, we can't do anything about the brown.

But we can help with things to do, places to go, the bests of the best & who to call!

Let's get started, shall we?

Things To Do

Museum Of The Southwest - Located in the historic Turner Mansion since 1968, the Museum of the Southwest has spent over fifty years serving the Midland and West Texas communities by producing exhibitions, programs and events about science, art, astronomy, archaeology, history and culture. Check out their website for all the latest (including concerts on the lawn in the summertime!)

Fiddlesticks Farms - Old-fashioned hayrides and frisky farm animals! Explore 10 aMAZEing acres of corn and fill up a wagon in the 10-acre Pumpkin Patch! Fiddlesticks Farm is family adventure with 25+ attractions, finger-licking grub, and crackly campfires. (Open September-November.)

I-20 Wildlife Preserve - The I-20 Wildlife Preserve is a 100-acre riparian forest campus in Midland. It is a wild space – not a park – managed by a nonprofit organization. Take a walk and see what you come across!

(More) Things To Do

Farmers Market - The Midland Downtown Farmers' Market welcomes you to join them Saturday mornings from 8:00am to 11:00 am on the lawn of the Museum of the Southwest. Enjoy local vendors providing everything from hand soaps and face painting to produce and jewelry! (Check their schedule online to be sure they're open.)

Jackalopes - Check out the Odessa-based North American Hockey League Team...find their current schedule online!

Rockhounds - Take me out to the ballgame! Check out our Midland-based minor league team, The Rockhounds! Whether you're enjoying the drink specials on a Thirsty Thursday, having a picnic at the umbrellas, or splashing at the Splash Pad, you're sure to have a good time!

(Even More) Things To Do

Summer Mummers - Summer Mummers of MCT has dedicated over 65 years to producing a summer-long fundraising event...trust us when we say it can't be explained...only experienced! (Don't take the kids!)

Midland Community Theater (MCT) - MCT aims to bring quality theatre arts and education opportunities to the Permian Basin for the benefit of the audience and volunteers. Check out their online show calendar to see which productions are showing!

Urban Air Adventure Park - Urban Air is the ultimate indoor adventure park and a destination for family fun. The park features attractions perfect for all ages and offers the perfect destination for family fun & kids' birthday parties.

Local Venues

The Horseshoe - West Texas' largest premier venue hosts all the best concerts, trade shows, rodeos, sporting events, etc! Check out their schedule for all the local happenings!

Wagner Noël Performing Arts Center - The Wagner Noël Performing Arts Center is a performing arts venue located between Midland & Odessa. The Center hosts many incredible events including live music performances from symphony orchestras, notable artists and bands, operas, ballets, and more! Be on the lookout for Cinema Under The Stars...where a movie is shown under the twinkling indoor lights of the theater.
