on Owens Corning® Roofing Shingles and Components

THIS LIMITED LIFETIME WARRANTY INCLUDES LIMITATIONS ON ITS TRANSFERABILITY. THIS LIMITED LIFETIME WARRANTY GIVES THE ORIGINAL PURCHASER (the "Purchaser") SPECIFIC LEGAL RIGHTS, AND PURCHASER MAY ALSO HAVE OTHER RIGHTS THAT VARY FROM STATE TO STATE OR PROVINCE TO PROVINCE.

FOR CANADA ONLY: THE TERMS IN THIS LIMITED LIFETIME WARRANTY, EXCEPT TO THE EXTENT LAWFULLY PERMITTED, DO NOT EXCLUDE, RESTRICT, OR MODIFY BY AND ARE IN ADDITION TO ANY PROVINCIAL LAWS.

INTRODUCTION

Thank you for your recent purchase of Roofing Shingles and Components manufactured by Owens Corning Roofing and Asphalt, LLC ("Owens Corning"). We believe we manufacture the highest quality and most attractive roofing shingles and components available anywhere, and that is why we stand behind them with one of the best warranties in the industry. If anything in this limited lifetime warranty is not clear, please call us at 1-800-ROOFING or visit our website at www.owenscorning.com/roofing.

WHO IS COVERED

To be entitled to the benefits of this Standard Product Limited Warranty: (1) Purchaser's property must be located in the United States or Canada and (2) Purchaser must be the original consumer purchaser (the property Owner, not the installer or contractor) of the roofing shingles and components.

WHAT IS COVERED

- **Roofing Shingles:** We warrant that Purchaser's Owens Corning® Roofing Shingles and Owens Corning® Hip & Ridge Shingles are free from any manufacturing defects that (1) materially affect their performance on Purchaser's roof during the TRU PROtection® period or that (2) cause leaks during the balance of the applicable warranty period after the TRU PROtection® coverage period has expired. To determine the length of the TRU PROtection® coverage period and the balance of the applicable warranty period, please see **"How Long Is Purchaser Covered"** and the **"Limited Lifetime Warranty Information Table"** at the end of this limited lifetime warranty.
- **Roofing Components:** Limited Lifetime Warranty coverage for Owens Corning® Hip & Ridge Shingles, including Berkshire®, DecoRidge®, DuraRidge®, ImpactRidge®, ProEdge®, and RIZERidge® matches the corresponding roofing shingle. For all other Owens Corning roofing components, when Purchaser installs three (3) or more of the five (5) Owens Corning roofing components listed below (one product from each category where applicable) with any Owens Corning shingle, the warranty coverage for manufacturing defects and the coverage period will match the warranty of Purchaser's shingles. Please see **"How Long Is Purchaser Covered"** and the **"Limited Lifetime Warranty Information Table"** at the end of this limited lifetime warranty for warranty periods. If less than three (3) Owens Corning® components are used, these products will be warranted for the length of time as defined in their individual product warranties. See individual component limited lifetime warranties for more detail. Owens Corning roofing component categories:
  a. Owens Corning® Hip & Ridge Shingles, including Berkshire®, DecoRidge®, DuraRidge®, ImpactRidge®, ProEdge®, and RIZERidge®.
  b. Owens Corning® VentSure® products (intake vent or exhaust vent). If a VentSure® intake vent AND VentSure® exhaust vent are both used, this counts as one (1) of the three (3) requirements listed above. VentSure® off-ridge exhaust vents are excluded from this limited lifetime warranty.
  c. Owens Corning® brand synthetic underlayment products, RhinoRoof® U20 roof underlayment, or Titanium® brand synthetic roof underlayment products. Installing a qualifying Owens Corning® Self-Adhered Ice & Water Barrier product covering the entire deck also meets this requirement and Section (e) below.
  d. Owens Corning® Starter Shingle products; and
  e. Owens Corning® WeatherLock®, Titanium®, or RhinoRoof® Self- Adhered Ice & Water Barrier products.

This limited lifetime warranty does not cover non-Owens Corning® roofing components, such as flashing, fasteners, pipe boots, and wood decking. This limited lifetime warranty applies only to those shingles purchased after January 1, 2023, and before the date a later limited lifetime warranty applicable to the shingles comes into effect.

HOW LONG IS PURCHASER COVERED

ALL IMPLIED WARRANTIES APPLICABLE TO PURCHASER ROOFING SHINGLES AND COMPONENTS ARE LIMITED IN DURATION TO THE TRU PROtection® COVERAGE PERIOD APPLICABLE TO SUCH PRODUCTS, AS PROVIDED BY THIS LIMITED LIFETIME WARRANTY, UNLESS A SHORTER PERIOD IS PERMITTED BY APPLICABLE LAW. SOME STATES OR PROVINCES DO NOT ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS, SO THE ABOVE LIMITATION MAY NOT APPLY TO PURCHASER.

1. **TRU PROTECTION® PERIOD:** From the installation of the shingles through the TRU PROtection® coverage period of this limited lifetime warranty, Owens Corning will compensate Purchaser to either repair, replace, or recover defective Owens Corning® Roofing Shingles and Components. The compensation provided by Owens Corning is limited to the cost of replacing Owens Corning® Roofing Shingles and Components and the labor directly required to repair, replace, or recover such defective Owens Corning® roofing products as reasonably determined by Owens Corning. Our compensation will not cover any non-Owens Corning® underlayment, metalwork, flashings, or other related work, and we will not cover the cost to remove or dispose of Purchaser's roofing materials. The TRU PROtection® coverage period does not apply to Wind or Algae coverage. Please see the **"What About Wind Resistance"** and **"What about Algae Resistance"** portions of this limited lifetime warranty for applicable coverage. Owens Corning reserves the right to arrange directly for the repair or replacement of Purchaser's products instead of compensating Purchaser directly. This compensation is limited as follows:
   A. If Owens Corning decides to replace the shingles or components, Owens Corning will compensate Purchaser only for the cost of replacement Owens Corning® Shingles or Components and the labor directly required to replace the defective shingles, both as reasonably determined by Owens Corning.
   B. If Owens Corning decides to repair or recover the shingles, Owens Corning will compensate Purchaser only for the cost of the labor directly required to repair or recover the defective shingles as reasonably determined by Owens Corning.

2. **PRORATED PERIOD:** Once the TRU PROtection® coverage period for the Owens Corning® roofing products purchased has expired, the prorated period will begin. During this prorated period, we will provide prorated compensation of the cost of the defective Owens Corning® products, but no labor or other costs will be covered during the prorated period, and we will take into account the number of full years of use that Purchaser has enjoyed from the original installation date through the date of Purchaser's claim, and reduce the amount of our compensation to Purchaser accordingly. We will prorate the amount of our compensation to Purchaser to adjust the number of years Purchaser has enjoyed from the original installation through the date of Purchaser's claim. For example: If Purchaser purchased a shingle with a Limited Lifetime Warranty and three (3) or more Owens Corning components and the Purchaser makes a claim in the 15th year of the warranty, we will not cover labor but our compensation to Purchaser will be 72% of the Owens Corning® Roofing Shingles and Components cost at the time of purchase. Further detail can be found on the **"Limited Lifetime^Δ Roofing Shingles and Components Proration§ Table."**

3. **OTHER TYPES OF STRUCTURES:** The coverage for the Owens Corning® roofing products offered by this limited lifetime warranty depends on the structure of which the shingles are installed and the owner of the structure. Limited Lifetime coverage for all Owens Corning® Shingles applies only to single-family detached homes where the owner of the roof is the resident occupying the home.

In the instance of roofing products purchased or installed upon property owned by others, for example, corporations, governmental agencies, partnerships, trusts, religious organizations, schools, condominiums, homeowners' associations, or cooperative housing arrangements, or installed on any other structures (for example, on apartment buildings or any other type of building or premises not used by individual homeowners as their residence), the limited lifetime warranty period will be 40 years from the original installation date of the roofing shingles and components, and the TRU PROtection® coverage period will be five years. Further detail can be found on the **"Limited Lifetime△ Roofing Shingles and Components Proration§ Table."** Owens Corning reserves the right to arrange directly for the repair or replacement of Purchaser's products instead of compensating Purchaser directly.

§ Proration is calculated annually, based on the original installation date. There are no partial year prorations.
++ Of costs covered under this limited lifetime warranty.

4. **EXCEPTIONS**
All of the Owens Corning Obligation of Compensation under this limited lifetime warranty (whether for repair, replacement, recovery, or refunding a prorated portion of the cost of the defective roofing products) are subject to the limitations provided by this limited lifetime warranty. Any replacement Owens Corning® Products will be warranted only for the remainder of the original warranty period. Owens Corning will not provide compensation for any underlayment, metalwork, flashings, or other related work. We will not compensate for the removal and replacement of solar panels or other rooftop equipment, and we will not compensate for the cost to remove or dispose of Purchaser's roofing shingles and components.

5. **WHAT ABOUT WIND RESISTANCE**
Owens Corning shingles and Hip & Ridge (the Shingle Products) contain asphalt sealant that requires direct warm sunlight for several days (Thermal Sealing) in order to seal properly. If Shingle Products are installed during a period of cool weather, they may not adequately seal until the season changes or the weather warms, and if Shingle Products never receive direct sunlight or are not exposed to adequate surface temperatures, they may never achieve Thermal Sealing. Prior to shingles achieving Thermal Sealing, Shingle Products are more vulnerable to blow-offs and wind damage. This is the fundamental nature of Shingle Products and not a manufacturing defect, and we are not responsible for any blow-offs or wind damage that might occur prior to Thermal Sealing having occurred. After Shingle Products have achieved Thermal Sealing, however, they will be covered under this limited lifetime warranty if they experience blow-offs or wind damage in winds (including gusts) up to the levels and for the period from the original installation date (**"Wind Warranty Period"**) listed in the **"Limited Lifetime Warranty Information Table"** listed in the chart at the end of this warranty.

HOWEVER, THE COVERAGE AGAINST SHINGLE PRODUCT BLOW-OFFS OR WIND DAMAGE IS IN EFFECT FOR A PERIOD OF 15 YEARS FROM THE ORIGINAL DATE OF INSTALLATION. Owens Corning will be liable only for the reasonable cost of replacing blown-off Shingle Products (to include material and labor during the applicable TRU PROtection® warranty period) and the reasonable cost of manually sealing the unsealed Shingle Products remaining on the roof.

6. **WHAT ABOUT ALGAE RESISTANCE**
If the Shingle Products that Purchaser purchased were not specifically labeled as **"Algae Resistant"** (AR), then any discoloration caused by algae is not covered by this limited lifetime warranty as explained in the section **"What Is Not Covered."** However, if Purchaser did purchase AR Shingle Products, they are covered for the period described in the **"Limited Lifetime Warranty Information Table"** at the end of this limited lifetime warranty following the date of installation (**"AR Warranty Period"**) against brown-black staining caused by growth of cyanobacteria Gloeocapsa magma algae. To be eligible for 25-year AR coverage, Purchaser must use one of the following Owens Corning® Hip & Ridge Shingles: Berkshire®, DecoRidge®, DuraRidge®, ImpactRidge®, ProEdge®, or RIZERidge®. We do not cover the effects of other growth, such as mold, lichen, and green algae. If brown-black staining occurs during the AR Warranty Period, Purchaser will be entitled to the following remedy:
   a. **Non-Prorated Period** — From the installation of the shingles until ten (10) years after the date of installation, we will compensate Purchaser for the cost, including labor (such cost not to exceed the cost of the AR Shingle Products plus the cost of installation), as reasonably determined by Owens Corning, to repair, replace, or recover the affected AR Shingle Products. For purposes of this AR Shingle Products warranty, the term "repair" as used above refers to cleaning or otherwise removing any algae growth from affected AR Shingle Products. Decisions regarding whether Purchaser's AR Shingle Products should be repaired, replaced, or recovered will be made solely by Owens Corning.
   b. **Prorated Period** — Once the non-prorated coverage period for algae resistance (as described above) has expired, the prorated period will begin. During this prorated period, we will provide compensation limited to a prorated amount of the cost of the affected AR shingles. No labor or other costs will be covered during the prorated period, and we will take into account the number of full years of use that Purchaser has enjoyed from the original installation date through the date of Purchaser's claim, and reduce the amount of our compensation to Purchaser accordingly. For example: If Purchaser purchased a shingle with a 25-year AR warranty period, and Purchaser makes Purchaser's claim anytime in the 16th year of the warranty, our compensation to Purchaser will be the amount of the cost of the affected Owens Corning® AR Shingle Products reduced by 16/25ths of the cost at the time of purchase of the affected AR Shingle Products.
   c. ****If a qualifying Owens Corning® manufactured Hip & Ridge shingle is **not** used, the AR warranty period is reduced from 25 to 10 years and the non-prorated period will be 1 year.
   d. See **"Limited Lifetime Warranty Information Table"** below for applicable AR product coverage.

NOTE: In some coastal areas and/or areas with limited rainfall, copper released by algae-resistant shingles can cause excessive corrosion to aluminum gutters. In these regions, Owens Corning recommends using vinyl gutters and will not be liable for any damage that may result from using aluminum gutters with algae-resistant shingles.

TRANSFERABILITY OF THIS LIMITED LIFETIME WARRANTY (BASED ON ORIGINAL INSTALLATION DATE)
This limited lifetime warranty is not transferable except as follows: Purchaser may only transfer this limited lifetime warranty one time, anytime during the life of the limited lifetime warranty, to the purchasers of the structure on which the shingles are installed. For this limited lifetime warranty to transfer and the second Owner to obtain the benefits of this limited lifetime warranty, the second Owner must, within 60 days after the date of the real estate transfer, contact Owens Corning and submit together (1) proof of purchase of the Owens Corning® Roofing Shingles and Components and (2) the installation date and ownership history. We may be contacted by going to https://www.owenscorning.com/en-us/roofing/warranty#manage-your-warranty and click Transfer a Warranty, or by calling us at 1-800-Roofing.
1. If the transfer takes place within the TRU PROtection® Nonprorated period (see **"Limited Lifetime Warranty Information Table"**), the second Owner is entitled to the same coverage as the original Owner.
2. If the transfer occurs after the TRU PROtection® Nonprorated period (see **"Limited Lifetime Warranty Information Table"**), the balance of this limited lifetime warranty shall be reduced to a 2-year period after the date of ownership change.

If there is a manufacturing defect that causes leaks during this 2-year period, our compensation to the second Owner will be based only on the reasonable cost of replacement of the Owens Corning® Roofing Shingles and Components reduced by the amount of use the second Owner and the original Owner have enjoyed from the original installation date through the date of claim.

3. The AR Warranty Period and Wind Warranty Period are fully transferable. The second Owner will receive the balance of the coverage outlined in the **"Limited Lifetime Warranty Information Table"** based upon the original installation date.

WHAT IS NOT COVERED

Our warranty does not cover damage to the Owens Corning® Roofing Shingles and Components products due to any cause not expressly covered in this limited lifetime warranty. After our roofing products leave our manufacturing facilities, they are subject to conditions and handling beyond our control that could affect their performance. This limited lifetime warranty does not cover any problems with non-defective roofing products caused by conditions or handling beyond our control. Some examples of conditions not covered by this limited lifetime warranty include:

1. Acts of God, such as hail, strong storms or winds (including gusts) over the maximum wind speed listed in the **"Limited Lifetime Warranty Information Table"** at the end of this limited lifetime warranty, ice damming above the area covered by leak barriers or flashings, or snow or water infiltration through exhaust vents.
2. Roof damage or leaks caused by pre-existing conditions, underlying roofing materials, underlying structural failures, settlement, or any defective areas on or near the roof that are not part of the Roofing System. Examples include but are not limited to chimneys with loose or cracked mortar, damaged siding, faulty counterflashing, or improperly designed or installed gutter or downspout systems.
3. Foot traffic on roof or damage caused by objects (e.g., tree branches) falling on roof.
4. Improper or faulty installation of roofing products — installation must be in accordance with our written installation instructions and comply with local building codes.
5. Shading, or variations in the color of Owens Corning® Shingle Products or discoloration caused by algae, fungi, lichen, or cyanobacteria (unless covered under the section **"What About Algae Resistance"**).
6. Damage caused by improper or inadequate roof ventilation or roof drainage, unvented attics, or enclosed roof rafter assemblies.
7. Damage caused by, or the cost to repair or replace, any non-Owens Corning® Products, including but not limited to metal work, counterflashing, failed and/or corroded roof nails, or pipe boots that allow water to enter the structure or Roofing System.
8. Damage to the shingles caused by alterations made after completion of application, including structural changes, equipment or solar panel installation, power washing, painting, the application of cleaning solutions not in accordance with our algae removal instructions, coatings, or other modifications.
9. Any damage due to debris, resins, or drippings from foliage.
10. Improper storage, handling, or other conditions beyond our control.
11. Any costs that incurred that are not authorized in advance by Owens Corning.

REPLACEMENT SHINGLE VARIATION

As a result of our ongoing efforts to improve and enhance our roofing products, we must reserve the right to discontinue or modify our shingles and component products, including their colors. We are not liable to Purchaser if Purchaser makes a warranty claim in the future and any replacement roofing products Purchaser receives vary in color either because of normal weathering or changes in our product line. Purchaser should understand that, if we replace any of Purchaser's shingles or component products under this limited lifetime warranty, we reserve the right to provide Purchaser with substitute shingles or component products that are comparable only in quality and price to Purchaser's original shingle or component products.

COMPENSATION

Under the terms of this limited lifetime warranty, the manner of compensation is at the sole discretion of Owens Corning and may be arranged directly by Owens Corning or issued in the form of cash settlement and/or material credit for Owens Corning® Products to an existing supplier of Owens Corning® Roofing materials. All costs must be pre-approved by Owens Corning.

CLAIMS PROCESS & RIGHT OF INSPECTION

To make a claim under this limited lifetime warranty, Purchaser must do so within 30 days after Purchaser discovers the problem. To fully evaluate Purchaser's claim, we may ask Purchaser to provide, at Purchaser expense, pictures of Purchaser's shingles or shingle samples for us to test. Purchaser must do so in order to be eligible to make a claim under this limited lifetime warranty. If Purchaser repairs or replaces Owens Corning® Products before Owens Corning has made a determination on Purchaser's claim, the Purchaser's claim may be denied. Owens Corning shall have a reasonable time after notification of a claim to inspect the roof. If requested by Owens Corning, the Purchaser shall provide Owens Corning with reasonable access to the roof, during normal business hours, for the purpose of conducting an inspection of the roofing products.

NO MODIFICATIONS TO THIS LIMITED LIFETIME WARRANTY

The terms of this limited lifetime warranty may not be waived or modified. This limited lifetime warranty represents the entire agreement between the parties and replaces all other communications, warranties, representations, and guarantees.

MANDATORY ARBITRATION

To the extent permitted by applicable law, Owens Corning and Purchaser agree to arbitrate all disputes and claims arising out of or relating to this limited lifetime warranty or Owens Corning® Shingles ("Dispute"). This limited lifetime warranty evidences a transaction in interstate commerce, and the Federal Arbitration Act governs the interpretation and enforcement of this provision. A party who intends to seek arbitration must first send to the other, by certified mail, a written notice of intent to arbitrate ("Notice"). The Notice to Owens Corning should be addressed to: One Owens Corning Parkway, Toledo, OH 43659 ("Arbitration Notice Address"). The Notice must (a) describe the nature and basis of the claim or dispute and (b) set forth the specific relief sought ("Demand"). If the parties do not reach an agreement to resolve the claim within 30 days after Notice is received, Purchaser or Owens Corning may commence an arbitration proceeding. All issues are for the arbitrator to decide, including the scope of this arbitration clause, but the arbitrator is bound by the terms of this limited lifetime warranty. The arbitration shall be governed by the Commercial Dispute Resolution Procedures and the Supplementary Procedures for Consumer Related Disputes (collectively, "AAA Rules") of the American Arbitration Association ("AAA"), as modified by this limited lifetime warranty, and shall be administered by the AAA.

PURCHASER AND OWENS CORNING HEREBY WAIVE THE RIGHT TO A TRIAL BY JURY.

The arbitrator may award injunctive relief only in favor of the individual party seeking relief and only to the extent necessary to provide relief warranted by that party's individual claim.

PURCHASER AND OWENS CORNING MAY BRING CLAIMS AGAINST THE OTHER ONLY IN EACH PARTY'S INDIVIDUAL CAPACITY, AND NOT AS A PLAINTIFF OR CLASS MEMBER IN ANY PURPORTED CLASS OR REPRESENTATIVE PROCEEDING.

Further, Purchaser agrees that the arbitrator may not consolidate proceedings of more than one person's claims and may not otherwise preside over any form of a representative or class proceeding.

GOVERNING LAW AND FORUM

This limited lifetime warranty and all Disputes are governed by United States Federal laws and laws of Ohio. Subject to the **"Arbitration"** provision in this limited lifetime warranty, if there are any Disputes that cannot be arbitrated, then the parties consent to the exclusive jurisdiction and venue of the state and federal courts in Ohio with respect to such Disputes.

SAVINGS AND SEVERABILITY

To the extent that this limited lifetime warranty is inconsistent with applicable law, this limited lifetime warranty is hereby modified to be consistent with such applicable law. If an arbitrator or court determines that any term in this limited lifetime warranty is illegal or unenforceable, the parties intend for the arbitrator or court to interpret or modify this limited lifetime warranty to the effect of the original intent of the parties as closely as possible while rendering the term and this limited lifetime warranty fully legal and enforceable. If a term in this limited lifetime warranty cannot be rendered legal and enforceable accordingly, the parties intend for the arbitrator or court to sever the illegal or unenforceable term from this limited lifetime warranty, leaving the remainder of this limited lifetime warranty enforceable.

LIMITATIONS

NO DISPUTE MAY BE BROUGHT LATER THAN 1 YEAR AFTER ANY CAUSE OF ACTION HAS ACCRUED, AFTER WHICH ALL DISPUTES ARE FOREVER BARRED.
