

# Ranch Horse Versatility with Dawnn Taylor

**September 23rd, 24th & 25th 2022**

**About this Clinic:** Join Covenant Stables as we welcome back the awesome Dawnn Taylor for a Three Day Clinic/Workshop & Closed Practice Show exploring Ranch Horse Versatility. This clinic is structured for lots of individual attention and for all riding levels - from beginner to advanced. Our clinician will work with each rider where they are at and help them to reach their personal riding goals. Participants will be riding in small groups of 4-5 riders that will rotate through two or three 1-1 ½ hour riding sessions each day. All participants are strongly encouraged to watch the other riding sessions to glean the maximum amount of knowledge from this clinic. At the end of the weekend we will be testing our hard work and newly acquired skills into a fun “practice show” that will be only open to clinic participants.

This clinic is for both the beginner and the experienced rider and will cover “dry” ranch versatility events such as Ranch Riding, Ranch Reining & Ranch Trail and Ranch Rail. We will address horsemanship skills that relate to the goals and mission of the rider and how it translates to the specific event. We had the privilege of hosting Dawnn in June of this year and the participant response was overwhelmingly positive. Dawnn has a huge depth of knowledge and a fun and positive way of sharing it. Come join us for a fun and educational weekend before winter is upon us!!!! This will be Covenant Stables final clinic for 2022.

## **About our Clinician:**

Dawnn Taylor is owner of Far Far Away Equestrian Services and is a carded equestrian judge with The National Versatility Ranch Horse Association and the American Ranch Horse Association as well as several breed associations. Dawn is a registered Professional Horseman with the American Ranch Horse Assoc. Dawnn has ridden numerous horses to National and State Championships in variety of disciplines from over fences to reining, pleasure to ranch horse events. Her clients have excelled Nationally and Statewide.

**Date:** September 23<sup>rd</sup>-25<sup>th</sup> start time 8am

## **Cost:**

Cost for this two day clinic is \$215 for the weekend and includes a t-shirt and lunch both days. We do have a limited number of stalls and sheltered paddocks available for an additional fee. A non-refundable deposit of \$125 will hold your spot. Call Kathleen at 715-808-1006 to sign up.
