All lab testing is performed by a third-party accredited laboratory. The results are taken from a representative sample of the product. This Certificate of Analysis (COA) shall not be replicated or distributed without written approval from Cannabha Inc. Total CBD per jar is determined by calculating the results from the sample size to the total product weight. This passes our quality control guidelines. This product contains less than 0.3% THC per federal and State of Colorado hemp regulation and was made from legally grown hemp.
