

SPARKS RC Club Pilot Rules

1. Pilots must be a current SPARKS member or a guest accompanied by a current SPARKS member.
2. All pilots must have proof of current AMA membership.
3. Pilots must either pass the SPARKS Safety Check before flying solo or fly under the direct supervision of an authorized SPARKS instructor. No exceptions.
4. Pilot must fly from the flight stations keeping their aircraft north of the flight line at all times and south of the barn in the adjacent field.
5. No more than 5 aircraft shall be in the air at any time.
6. Pilots must announce all takeoffs, landings and walking on the runway.
7. Full scale aircraft have the right of way and all model aircraft must move safari away from them when spotted.
8. Pilots must not be under the influence of alcohol or other drugs, including prescription medications, that may adversely affect their judgement, reaction times and ability to control their aircraft.
9. No hovering over the runway shall be allowed without verbal permission from other pilots on the flight line.
10. Only AMA and FCC approved model aircraft transmitters are permitted.
11. All pilots must obtain a frequency pin and leave their AMA card, even those flying 2.4GHz. Pilots shall adhere to a 20 minute flying time when sharing a frequency.
12. Engines shall only be run in the starting area. Batteries shall only be armed on the flight stands.
13. All other AMA rules not specifically listed shall be followed and remain in effect.
14. Violations of these rules shall result in the loss of flying privileges.
