

Cyndi Daves brings you . . .

Jesus

FOR REAL LIFE

Cyndi's "real life" engaging presentations are relatable, personally poignant, and point to the Truths of God's Word. She loves to share the gospel of Jesus Christ and those listening will feel that passion coming through in her words. In addition to producing *JESUS FOR REAL LIFE*, a radio talk show and podcast for Christian women, Cyndi is pursuing a degree in Biblical Studies.

While Cyndi would love to have the opportunity to discuss the theme of your event and help you decide which of her presentations would best fit, some of her favorites include:

- ✓ *It's Never Too Late To Be Called:* Weaving in her personal testimony, Cyndi will share how she endured abandonment, physical, mental, and sexual abuse, and failed marriages. Yet after it all, God healed her brokenness until, at the age of 61, she surrendered to His will when she felt Him calling her into the ministry. Ladies and men alike will come away knowing it doesn't matter what they've been through, that our God is an awesome and loving God who will forgive their past. More so, regardless of how old you are, it's never too late for God to use you and your life-experiences to show someone else the way.
- ✓ *The Many Miracles of The Loaves and Fishes* - Cyndi will open your audience's eyes to the oftentimes overlooked miracles in those familiar verses we've heard so many times. With her fun and slightly humorous approach to this deep dive into the scriptures, the audience will be encouraged to look for those potentially hidden miracles in their own lives.
- ✓ *Sugar and Spice and . . .* - In this "sweet" message Cyndi looks at the different types of sugars, and some not so sweet stuff too, and compares them to the people in your life and how, although they have different "flavors" they each have a purpose in the makeup of our lives.
