Possible Prayer:

Father,

Your loving kindnesses never cease. Your compassions never fail and are new every morning. Your faithfulness is great.

I know that I forget the simple commands you give. You don't ask for too much, I just don't always give enough of my time or my heart to You. I need you desperately every second of every single day.

Father. Create a clean heart in me. Circumcise my and my descendants hearts. Renew my spirit with a passion for You and Your word. Fan the embers and make them everlasting flames for You. Your word says, I am your daughter. You are my God. I will find You when I search for you. You hear my every prayer and are willing and ready to meet my every need.

I'm calling to You. I'm coming to You. I'm seeking and searching for You. Thank You that in Your faithfulness and love, You have stoked the embers of my heart before the final word of this prayer was written. Father, Your love is unfathomable.

In Jesus Name, Amen.
