

Day 15 — Create in Me a Clean Heart

Make Room for God's Heart | Prayer

Heavenly Father,

I come before You grateful for Your mercy and for the invitation to draw near to You. Search my heart and reveal what needs Your cleansing. I do not want to settle for the appearance of change while holding tightly to the attitudes, desires, or fears that keep me from You.

Create in me a pure heart, O God, and renew a steadfast spirit within me. Where my heart has grown hard, make it tender again. Where I have become resistant, teach me to listen. Where I have relied on my own strength, remind me that true renewal comes through Your Spirit.

Forgive me for the ways I have pursued Your blessings while neglecting Your presence. Help me seek You for who You are, not only for what I hope You will do. Restore the joy of Your salvation and give me a willing spirit that delights in walking with You.

Thank You that You do not ask me to earn Your kindness through perfect performance. Through Jesus Christ, You have shown me mercy and offered new life. Let that truth shape how I respond to conviction: not by hiding in shame, but by turning toward You in trust.

Holy Spirit, continue Your work in me. Renew my thoughts, reshape my motives, and teach me to live from the new life I have received in Christ. May the changes in my heart become visible in my choices, my relationships, and the way I love others.

Make room in me for more of Your heart.

In Jesus' name, Amen.
