

LIFE READINESS FILE™

*Everything important...
all in one place*

♥ *Preparation is one of the greatest acts of kindness you can leave your family.* ♥

When important documents can't be found,
IT CAN COST YOUR FAMILY THOUSANDS OF DOLLARS.

Missing estate-planning documents may result in delays, legal expenses, possible probate, and unnecessary stress.

The LIFE READINESS FILE™

A professionally guided, in-home service that helps you gather and organize your most important documents into one secure, portable file—so your family knows exactly where to find what matters.

Fire-Resistant

Water-Resistant

Lockable

READY TO GO WHEN EVERY MINUTE MATTERS

Important information organized, protected, and ready to take with you during a fire, flood, evacuation, or other unexpected event.

WHO IS THIS FOR:

- ♥ Anyone who wants clarity and security for life's important documents.
- ♥ Adult children helping aging parents.
- ♥ Trustees and successor trustees managing a loved one's affairs.
- ♥ Families preparing for emergencies or future life transitions.

COMPLETE SETUP PACKAGE \$300

Includes up to 4 hours total, including a 30-minute planning consultation, customized folders, labels and divider tabs, the fire-resistant file box, and filing materials.

Additional time, if needed: \$75 per hour.
