

# LIFE READINESS FILE™

## EVERYTHING IMPORTANT . . . ALL IN ONE PLACE

The **Life Readiness File™** is a professionally guided, in-home session designed to help you organize your most important documents into one secure, fireproof system — so nothing is left to guesswork and your family is never left overwhelmed.

### Who This Is For

- Anyone who wants clarity and security for life's important documents
- Adult children helping aging parents
- Families preparing thoughtfully for the future or emergencies

### How the Process Works

- 30-Minute Consultation to customize your files
- Document Review & File Selection
- Custom Folder Setup
- Organized Placement in Fireproof System
- Final Walk-Through & Questions

### Investment - \$300

Up to 4 hours (includes 30 minute consultation, custom setup, labels and divider tabs).

Additional time, if needed: \$75 per hour. Payment is required to reserve your appointment. Supplies purchased separately.

Call me for a 15-minute consultation (805) 766-1495

### A Thoughtful Investment in Peace of Mind

The **Life Readiness File™** is more than organization — it is a structured system designed to protect your family from confusion, delays, and unnecessary stress.
