

## Benefits of Membership

As an Ann Arbor Black Nurses Association member, you will:

- Join the over 308,000 nurses that NBNA represents and those who recognize the value of belonging to the only professional African American nursing association.
- Be a part of an organization that provides support to nurses and nursing students who are seeking to elevate the nursing profession and improve our community
- Have the opportunity to volunteer at local chapter community programs, networking, and social events
- Meet other amazing nurses and healthcare professionals throughout the Washtenaw County and surrounding areas
- Bridge the gap of healthcare disparities in the African American community
