**Many of our fundraisers also have online sales, which is great for any friends and family that live out of town

FUNDRAISING INFO

1. Fundraisers are coordinated with our hoagie sales. At each hoagie sale you will turn in the current fundraiser orders, pick up your items from the last month's fundraisers, and receive the new fundraiser info.
2. Attached is a tentative schedule for the year. This shows you the fundraisers for each month and the profit you can earn. This allows you to decide which fundraisers are better suited for you, your family and friends.
3. Your profit from each fundraiser is split between the student's account and the boosters. Usually, it is split with 60% going to the student and 40% going to the boosters.
4. Your customers will pay you for their orders. When turning in your total order to us, you will pay with cash, check, or money order. Be sure to give us ONE check or money order for each fundraiser. Checks are made payable to the Marching Band Boosters, "BVAMBB". Orders will not be placed until full payment is received.
5. If you are paying by check and your last name is different from the student's last name, then please print their name in the memo portion of your check.
6. PLEASE make sure the student's name is written on each fundraiser order form.
7. Each month you will receive a letter detailing the current fundraisers. Many of our fundraisers also have an online portion. The online sales may have more items available and can be ordered for a longer time compared to our catalog/paper forms.
8. Once you receive your fundraising order, please check it for any missing/damaged items. If there are any issues, please contact Jan Byers.
9. If you have ANY questions/concerns/issues about the fundraising, then please contact Dawn Peden at bvabandfundraising@gmail.com
