Hospice Explained

There is a lot of misinformation about hospice. In this webinar we will learn the reality of hospice care from Lisa Pahl, LCSW, APHSW-C with over 18 years of experience working in hospice. Lisa will also introduce us to The Death Deck and The E-O-L Deck, games she created that inspire meaningful conversations on what matters most in our lives and in our deaths. Many Funeral Homes have been using the Decks to spark conversation with the families they serve as well as their own.
