The Capella Natural Clay Wall Cap can be readily modified into end caps and corners.

Inspired by the warmth and elegance of Italian architecture and landscaping, Pacific Clay used its creative imagination to produce Capella Natural Clay Wall Cap, a decorative enhancement for brick, concrete block, and stucco walls.

With Pacific Clay's unique design, our Capella Wall Caps make it quick and easy to cut and add the finishing touches to end caps and corners. Capella can also be attached vertically for a pleasing effect or it can be used to cap columns.

Capella offers all of the enduring qualities of natural clay. Its inherent durability and color integrity will provide years of maintenance free service through all types of climactic conditions. Look for Capella in seven attractive Pacific Clay colors, which match Pacific Clay's existing family of brick.

Bricks in this brochure were photographed and printed to match the original brick as closely as possible; however, production runs vary slightly in color (color ranges occur in each production run). Pacific Clay's colors are produced from natural clays – color ranges are inherent in the product and should be sampled accordingly. Weights listed are averages; individual bricks may vary in weight and dimension while maintaining accordance with ASTM specifications. Pacific Clay Brick Products maintains the right to revise packaging and products inventoried.
