allergens

Please inform a member of staff of any allergies when placing your order. Our cafe handles all ingredients & cannot guarantee any food or drink will be gluten free or nut free.

housekeeping

During busy periods we may not be able to alter our menu. We also ask that maximum occupied table time during busy hours is one hour. Our kitchen closes at 3:00pm

coffee

We proudly source, roast and serve our own coffee through our sister company 'never worry coffee roaster'. It's the coffee in your drink, the coffee you smell & the coffee boxes on our shelves. We source the highest quality green beans & ship them to our roastery, where they are roasted with care. Our coffee is speciality grade and we intend it to be light, sweet & different to what you will find elsewhere. We find traceability important so you will find information about our coffee on our website & on every box we produce. If you enjoy it grab a bag to take home with you or visit us at neverworry.co.uk.

pastries

We are passionate about pastries. We love fine finished sweet bakes. That's why we have partnered with Bolo Bakehouse. A business we are convinced is one of the best. From layered, flaky pastry, to cakes & more traditional bakes, these folks amaze us with their skill. You gotta try them!
