

# TRAILBLAZERS

Dulles High School FBISD  
Team Info session

## What is DI?

Fun, hands-on competition that fosters creativity, courage and curiosity through open-ended challenges in areas like engineering, technical, scientific, fine arts, improvisation, and service learning.

Teams of 2-7 students spend 2-4 months developing innovative STEM based solutions to present at tournaments.

## Benefits

- Develops creativity, critical thinking, collaboration skills
- Encourages risk-taking, curiosity, and innovation
- Builds STEM skills in engaging ways with leadership, confidence and communication

## Is DI for You?

DI is great for students who enjoy building STEM projects, being creative, working in teams, and taking on new challenges.

**If this sounds exciting, we invite you and your student to attend the info session on Sunday, Sept. 15th at 6 pm to 8 pm to learn more!**

**DI experience can be truly transformative.**

## The DHS Team

Meetings: Sundays 3-5pm at 618 Newington Ln, Sugar Land (until teacher sponsor secured for on-campus meetings)
