## ***Join us for Friendsgiving!***

*A fundraising event to benefit our programs*

**Sunday, November 22, 2026 | Noon - 4pm**

Did you know that 1 in 5 children in our community will go to bed hungry tonight? At Erin's Angels, we believe no child should have to face the challenges of hunger, and for years, we've been working tirelessly to ensure that kids in need have the nourishment essential for their growth, development, and success.

As we approach the holiday season, our annual fundraiser becomes even more critical to keeping these efforts alive. Every year we host a special "Friendsgiving" event to kick off the holidays. **This year's event is on Sunday, November 26th, from Noon to 4 PM at Home Team Pub in Liverpool.** It promises to be an afternoon filled with food, drinks, and community spirit — all in support of the Erin's Angels mission.

But to make this event truly impactful, we need YOU as a sponsor. With your support, we're confident that we can meet and exceed our fundraising goal, ensuring that no child has to go to school hungry next year. Together, we can remove hunger as a barrier to education and open the door to brighter futures for countless kids.

Please consider partnering with us to make this year's "Friendsgiving" a success. If you have any questions or would like more information about how you can get involved, don't hesitate to reach out to Maryann at [fundraisingchair@erinsangels.com](mailto:fundraisingchair@erinsangels.com). **Your sponsorship could change a child's life. Thank you for being a champion for children in need!**

## Our Why

In August 2008, the tragic death of 11-year-old Erin Maxwell shook Oswego County to its core. Erin's life was marked by unimaginable suffering—abuse, neglect, and ultimately, a senseless death at the hands of those who should have protected her. Her story is a stark reminder of the vulnerabilities faced by children in our community.

August 2008 the death of 11-year-old Erin Maxwell sent a shockwave through Oswego County, and State Police made their arrests. The three people closest to Erin Maxwell, her own family were placed in cuffs, arraigned and sent to jail. Facing a charge of second degree murder was Erin's stepbrother Alan Jones. The indictment claims he killed her by strangulation with a rope, but Erin's death certificate cites "sexual trauma" as a contributing factor.

Also charged were Erin's father, Lindsey Maxwell and stepmother Lynn Maxwell. Both faced six counts of endangering the welfare of a child, accused of forcing the little girl to live in a house described as deplorable full of animals, garbage and feces with an overwhelming odor. The six counts were identical for both Lindsey and Lynn Maxwell and stemmed from statements from the Maxwell's and acquaintances. On August 29th, 2008, both are accused of locking Erin in her room which may seem more like a cage, "by means of a wooden half door which included a barrel lock as well as a screen door made of screen and chicken wire with included hook and eye locks and a latch. These locks were all on the outside." The endangerment charge claims the locks "prevented escape in the event of an emergency." They're also charged with locking Erin in her room during a family cookout on August 15th. The Maxwell's starved Erin. "Our investigation revealed that Erin was provided only minimal amounts of food." explained Captain Lincoln, "It's also been revealed that Erin was routinely locked in a small bedroom at approximately 5:30 pm where she was to remain overnight each evening."

The other charges on August 29th, August 15th, April 1st and February 1st, accuse the parents with forcing Erin to live in a home with "approximately 100 live cats, live chickens and birds with 20 dead kittens stored in the kitchen freezer" Police say it created an "unsanitary environment... injurious to the health and well being" of Erin.

Her killer served just 7 years.

**We fundraise because every child deserves to feel safe and secure, knowing they will have food to eat over the weekend. We raise money to provide meals, protect, and support children in need, ensuring they experience love and stability. Our efforts honor Erin's memory, working toward a future where every child is cared for, valued, and free from hunger. This is why we do what we do.**
