Please join us to ensure kids in need are cared for by donating to the Upstate Endowed Fund #62357.

Legacy Giving

Erin's Angels and the Upstate Foundation are now partners into perpetuity. The Erin's Angels Endowed Fund at the Upstate Foundation will ensure that our important mission of addressing childhood food insecurity will serve generations of children in the future.

An endowment is a lifelong fund that is invested permanently through the Upstate Foundation and generates market earnings that can be spent in support of the endowment's purpose. The Upstate Foundation is pleased to partner with Erin's Angels," said development director Carolyn Hendrickson. "Included in our fourfold mission is community and health and well-being. We look forward to growing this endowment to ensure the financial resources to fight childhood food insecurity will always be available for this organization."

"The reason I am leaving a legacy donation to the endowed fund at Upstate is more than a simple act of giving. This gift highlights my enduring commitment to making a difference in the lives of countless children and shaping a brighter future for generations to come. It is a testament to my unwavering compassion and dedication to ensuring there is no child hungry in Central New York. Together with the Upstate Foundation, we can create a lasting impact that transcends generations, ensuring that the most vulnerable among us receive the sustenance they deserve, building a legacy of love and nourishment that will stand strong forever." Sheila Dion

Our mission is to mobilize the community, individuals and resources to provide food for kids in need.

Weekend Meals

Summer Meals

Outreach Program

Scholarship Program

Ice Cream Program

Make a difference in the life of a child today!

Examples of Needed Foods

- Oatmeal Packets/Cereal Cups
- Mac & Cheese Cups (just add water)
- Hormel/Barilla Ready to Eat Meals
- Snacks
- Peanut butter
- Canned or easy-open proteins (chicken, tuna fish, ham, etc.)
- Canned Chili and high-protein soups that are easy to transport and simple to prepare.

We do our best to send home items that are not only nutritious and kid friendly, but also ideal for families who might have access to a microwave but not a stove or oven for cooking.

Feed Our Future Scholarship

Erin's Angels grew from the realization that we could make sure hunger would not get in the way of a child's education. The Feed Our Future Scholarship program was launched in the shadow of the Covid-19 pandemic when students needed support more than ever.

Our mission from day one has been to make education a priority. We understand how challenging and expensive it can be to pursue a secondary education, and that is why we give scholarships to deserving students every year.

Please consider a contribution to the scholarship program because no matter the size, it has the power to change lives and build a brighter future for our community. Together, we can provide the gift of education and empower the next generation of leaders!

The Girl Who Inspired Us All

Erin Maxwell was routinely locked in her room and her parents starved her as a means of discipline. At one point, one of her teachers found her digging through the trash can in her classroom for something to eat. After her death in August of 2008, the investigation revealed that Erin was provided only minimal amounts of food for years before her murder.

We started Erin's Angels to keep her memory alive and to shine a light on the plight of children like Erin. We all need to do our part to end childhood hunger in the US, but millions of kids are living with hunger right now. By helping Erin's Angels, you can help make a difference in Central New York.

Your donation will connect vulnerable kids in CNY with the food they need to grow and thrive. Help support students who are hungry with an \$11 a month pledge in honor of Erin Maxwell who was 11 when she passed away. Recurring donations can be made on our website here:
