## Professional Background

BA-Psychology/MA Developmental Disabilities | 15 years of experience as a Special Education Teacher in elementary and middle school, with a strong focus on inclusion, differentiating, and individualizing instruction for students with special needs. | 10 years of experience teaching pre/post-natal fitness and owning and operating FIT4MOM Colorado Springs Franchise. | 5 years licensed CO life & health insurance producer. | Co-owner of Burrows Financial Group, where we are dedicated to helping families secure their financial future and legacy through comprehensive estate and retirement planning, and life & health insurance solutions.

## Connection to the Mission

I have always been a passionate advocate for accessibility and inclusion, and decided early on that I wanted to make a career of serving and supporting individuals with special needs and their families.

I am now the mom of an exceptional 10-year-old autistic son named Ashton, and am navigating my most important role of being his biggest supporter and advocate.

## Board Responsibilities & Contributions

My role is to advocate for the inclusion of individuals with special needs in our program, as well as to use my knowledge of community resources and programs to help support individuals with special needs and their families, and to promote mentorship, understanding and accessibility within the community.

## Community & Volunteer Involvement

Volunteer with the Lockwood Foundation, whose mission is to make our trails and outdoor spaces accessible to all. | Burrows Financial Group is a 2026 bronze sponsor of the Switchbacks Unified Team, and a business sponsor of the Liberty Lancer High School Football Team. | D20 parent volunteer | Human Potential Running series race volunteer | Captain of a Community Cup running team for the past 6 years

## Skills & Areas of Expertise

Expertise and experience in advocacy, individualizing educational programs, and developing and implementing inclusion programs for students with special needs.
