

603 63rd Ave W , #T-24
Bradenton, FL

\$65900

2 Bed
1152 Sq. Ft.
2 Bath

This home is furnished and ready to make add your special touches. With 1152 sq ft under air, this double wide home built in 1981 offers plenty of space. Enjoy the roomy kitchen with bay window, island counter and dishwasher. The dining room features full sliding doors an built in cabinetry with glass front doors. The living area extends through sliding doors to a vaulted ceiling lanai with vinyl sliding windows and faces north to keep a cooler breeze flowing. The guest bedroom is good sized and hold a queen size bed comfortably. Double door closets provide good storage. The guest bathroom is a tub-shower with ample cabinets. The primary bedroom with en-suite bathroom and walk-in closet is what this home is all about. Rarely do you see a layout that is so roomy to afford an office or sitting area along with a king size bed! The bathroom has a good sized cabinet and an additional built-in vanity with a separate stand up shower and toilet. Get excited for the walk-in closet with built in shelving. No arguing over the closet space in this home.
