

# TAOS COMMUNITY FARMS CSA SHARE HOLDER SIGN UP

## ABOUT OUR CSA

Our cooperative CSA's food comes from Taos Community Farms, Morning Star Farm, FarmHouse Café Garden, Rios Del Norte Farm and Ranch Co-op and other allied farms.

Our goal is to educate and engage the youth in farming, thus creating food sovereignty for our community. This is a project of Growing Community Now, a non-profit project through A.I.R.E.

Managed by biodynamic farmer, **Melinda Bateman** of Morning Star Farm, and Taos Farm to School program manager, **Micah Roseberry** of the FarmHouse Café.

We are committed to using regenerative and beyond organic agricultural practices.
