

No annual fees for your own pension plan!

Free Pension Installation and Administration

- No installation charges on your own pension plan
- Free annual administration on your own plan if you have two other active pension plan customers with American National
- If you already have two other active plans in force that we administer, we will begin waiving the annual fee on your plan for the current plan year

Advisors

If you are an advisor, sell two plans and get free installation and administration. Save more for retirement with free administration of your plan each year.

RGAs

If you are an RGA and have two plans with American National, receive free installation and administration for your plan.

NMDs

If you are an NMD and have two plans on your books with us, receive free installation and administration for your plan from American National.

Note: A pension plan can only be counted once. Program subject to change.
