# Single Premium Immediate Annuities

## Income Options Illustrated

**Life Income** - will make payments for as long as the Annuitant lives. When the Annuitant dies, income payments stop and the policy will terminate.

If you choose, we will guarantee that payments are made for a specified period of time (5, 10, 15 or 20 years) in the event of the Annuitant's death. For example, if you choose a 10 year period and the Annuitant dies after payments have been made for 6 years, we will continue making payments for 4 years after the Annuitant's death.

**Joint and Survivor Income** - will make payments while both the Annuitant and Joint Annuitant are alive. When both die, payments will stop.

You may select a percentage (100%, 75%,  $66\frac{2}{3}\%$  or 50%) of the income to be paid after the first death. For example, if the income amount is \$1,000 and you select the 75% option, the income will reduce to \$750 at the first death.
