RARE PEARLS MENTORING & LEADERSHIP PROGRAM FACTSHEET

Rare Pearls Mentoring and Leadership Program is a 501©3 organization that is 100% focused on developing young girls and women from ages 7-18. The Rare Pearls Mentoring and Leadership Program was founded in 2015 by Mrs. Judy McClendon-Redmond. Our national headquarters is located in Douglasville GA. The Coweta chapter began in March 2020 and meets in Newnan Ga. At the time of inception, The Child and Adult Success by Urban Institute 2015 stated that:

- 1 in four girls will not finish high school
- 1 in five girls will be a victim of childhood sexual abuse
- 1 in five girls will run away from home and become homeless
- 3 in 10 girls will become pregnant before the age of 20

Our Mission: To empower and enrich girls and women through encouragement, education, training and by example while serving in the community. To provide a safe harbor forum to help them grow while learning respect for themselves and others.

We are dedicated to protecting our girls from these statistics. Mentoring is a matter of trust and trust is gained through relationships. Rare Pearl mentors are loving, caring, accountable and mature individuals with the ability to communicate with girls from diverse backgrounds. Girls that are “mentored” have increased graduation rates and healthier relationships and lifestyle choices. Our monthly mentee meetings open in prayer, and the workshops are power-packed! The topics are led by community leaders, business owners and professional mentors that range from self-care, child sex trafficking, stem education, civics, financial literacy and life skills just to name a few.
