ROUND ONE - IN A SENTENCE

A small but high quality field showed up to Tasmania with lots to learn on a brand new tyre, and a new track for us; we finished the weekend inside the top ten in the championship and close to the pace in Race 3.

ROUND THREE - WHAT'S NEW?

After missing Round Two at Phillip Island we are thrilled to welcome our newest crew member to the team. Iain & his wife Mel welcomed their first child, Ruby McDougall, who arrived just in time to watch the three races from Round 2 at the Island on TV, she will make her debut at the track later in 2023.

WINTON EXPERIENCE
