## ROUND THREE - IN A SENTENCE

A challenging round at Winton saw us turn the car upside down on Friday night and follow a new setup philosophy on which reaped rewards showing enough pace to be in the battle for the top ten.

## ROUND FOUR - WHAT'S NEW?

After missing Round Three at Queensland Raceway we are thrilled to be back on track with additional support from AutoPlus More. Following completion of the upgrades at HQ, this round presents the first round as a satellite team on the journey to independence.

## SANDOWN EXPERIENCE

After watching the 2019 round from the stands, we witnessed one of the wettest weekends in recent Melbourne history. Sandown is a sketchy place to learn to drive a TCR car in the wet with minimal visibility however it proved to be our best round of the 2022 season.
