NORTH BAY CORVETTE ASSOCIATION MEMBERSHIP'S DIRECTOR REPORT JUNE 25, 2025

Very quiet for membership this last month. One inquiry but it seemed as if the gentleman was more interested in having NBCA help him sell his 1968 car than joining.

Steve and I will be visiting Mike and Maryanne McLucas at the end of June to celebrate my birthday, our 12th Anniversary and of course, the Corvettes 72nd birthday on June 30th.

Wishing everyone a great Fourth of July. Hope you have fun and a safe time.

Hope to see you soon at one of NBCA's events. Barbara Boyer, Membership Director 6/23/25

NORTH BAY CORVETTE ASSOCIATION SOCIAL DIRECTOR REPORT JUNE 26, 2025

June 4^{th,} we had our Drive & Dine lead by Mike & Bev. We met at San Marin High and after signing our Liability Waiver there was a driver's meeting and we started out @ 5:00 heading west on Novato Blvd passing the Cheese Factory on Pt Reyes-Petaluma Rd turning onto Hwy 1. We stopped at Miller Boat Launch for a photo shoot. It was foggy and windy at the boat launch location. Steve K went ahead so he could take a video of us as our Corvettes turned the corner onto Tomales Petaluma Rd. We continued onto Bodega Ave, Pepper Rd, Stony Point Rd to our dinner destination-Glory Sports Bar and Grill in Petaluma. Plenty of good parking for our Corvettes. Our leader did a great job keeping all 15 Corvettes together. We met up with 5 of our members for dinner totaling 31. There were lots and lots of chatter until our meals arrived. The service was quick and efficient! Drinks good too!! The burgers were a challenge to get your mouth around!!! Lots of "hugs" goodbye-now looking forward to our next event on June 28th. See our web site for the video!

June 28-Sandy led our Social Drive to Pope Valley Winery.

We met @Sheraton Petaluma, greeted each other, signed our liability waiver and after our very detailed drivers meeting, we left promptly @9:30 heading to Lakeville Hwy116, Stage Gulch Rd to Arnold Dr towards Hwy121 where we encountered construction traffic.

Once out of traffic, we zoomed on Old Somona Rd and back roads to Food Mill Kitchen in Napa for deli sandwiches.

We took Hwy121 to Lake Berryessa. The Lake was full of water making the view of the lake spectacular!

We stopped at the Berryessa Visitors Center for a photo shoot. The temperature on my dash read 98 so I was glad to get back into my airconditioned Corvette.

We drove through some fire damaged hillsides zig zigging to reach Pope Valley Winery where Kevin was already there to take a video of our Corvettes arriving.

We were welcomed by the staff who had beautiful tables set up under oak trees for our wine tasting and tour.

Pope Valley Winery traces its roots back to 1897 under the name Burgundy Winery & Olive Oil Factory.

We picnicked, tasted some fantastic wines, had a tour of the winery and blacksmith barn.

Some of us took a short drive to see Litto's Historic Hub Cap Ranch on our way home. In the old days of hub caps, drivers lost their hub cap as they turned the corner at this location.

We had a total of 10 Corvettes, 3 guests, 1 possible new member and 14 members.

All in all, it was a lovely way to spend a Saturday with the best of company in our Corvettes!

MEMBER AT LARGE PROJECT

Hello all,

As member at large, my main task is to collect photos of club members and club events dating as far back as the late 1960's when North Bay Corvettes was formed. Some of our newer members may not be aware that the club's photo album was destroyed in a fire while stored at one of our member's house a few years back. We have created An NBCA google drive account to download photos that some of our senior members have been able to retrieve which are both digital and scanned photos. There are close to 40,000 photos downloaded thus far. That does seem like quite a few photos, however many of them are redundant digital pics. I would like to ask any members that may have photos that are from 2015ish and older to contact me so we may discuss downloading digital pics on a flash drive or Bev and I can digitally scan physical photos.

Thank you,

Mike Giordano,

Member at large.
