MEMBERSHIP'S DIRECTOR REPORT / AUGUST 27, 2026

Hello NBCA members:

We have 76 total members as of August, 2026. We acquired 2 new members:

Steven Martini - 2021 C8 Stingray Red Mist - He is from Fairfield

Eddy Deleon - 2015 C7 coupe - torch Red - He is from Novato

Our Prospective members now is at 7.

Two of them attended this month's general meeting, Bob Kennard and Ken Ahnemann

I am hopeful they will continue to participate.

I will keep you posted.

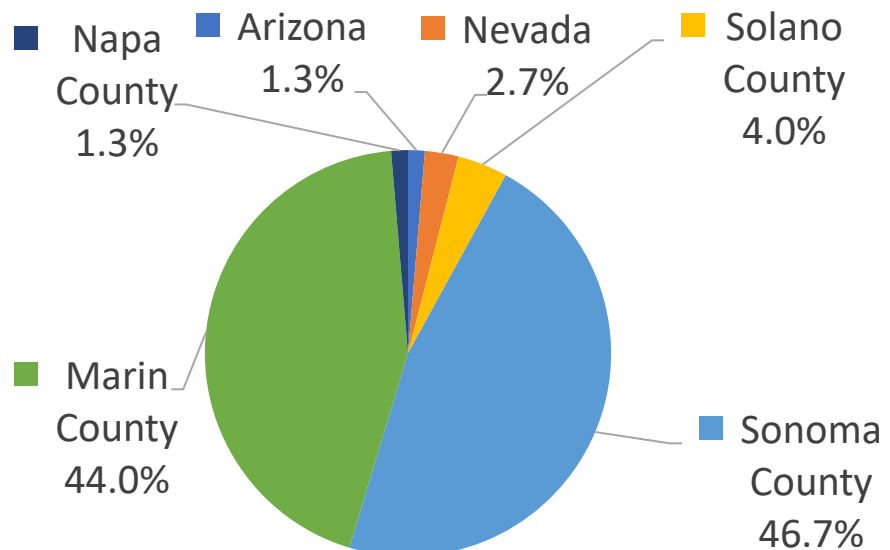

One of our beloved veterans, Art McNay, who had attended our **Vets in Vettes Parade** every year in Petaluma has passed away.

Art was in the Air Force and 92 years old. Although, he was not in our club he made it a point to come down to Petaluma each year. He was a loyal corvette owner for many years. Kevin and I enjoyed his friendship. Our condolences go out to ,Glory his wife and their family.

They live in Woodland. When we have the service information we will let you know. We hope NBCA will attend the services along with us.

Respectfully,

Social: Gloria Aquilino was not there but provided a report to be read.

July 25th Social – Kevin and Betty lead our drive to Roche Winery. We met in Lowes parking lot with 13 Corvettes and 19 members. Since there were mostly black or red Corvettes Kevin asked us to mix up the other color Corvettes between the black and red Corvettes.

We started out driving on Stony Point Road through the back roads in Petaluma to the winery at 22097A Bonness Rd, Sonoma. Great Corvette parking for a photo shoot. We sat in the shade with tables setup and ready for our wine tasting. We tasted Chardonnay, Rose, Pinot Noir and Cabernet. Some brought lunch and others purchased food there. Lots of conversations back and forth. A beautiful day in a wine country location, driving out Corvettes with great friends.

Coming up:

NCCC Update – no updates to report

Auto-X related

Oct 3-4 Auto-X registration open 10 people have already registered.

We need approximately \$1875

Cyndie has reached out to Trinity, Porsche club and others identified to get participants.

Ken Albers talked up Auto Crossing as a great way to learn your car. He joined Oct or Nov 1978 And first met Jane Rittler who was serving as membership she was already and avid Auto-Xer and next he met Neil Andersen and John Brosnan also Auto-Xers who encouraged Ken to try it.

It can be described as parking lot racing and is considered a slow speed event. You can go as fast as you feel comfortable and we can put an experienced person in the car show you the ropes and get experience on the course and gain comfort participating.-

The Auto-X allows you to work against your self to improve your skills with each run. Ken mentioned there had been an R8C tour (museum delivery) and a new Vette owner put his car In a ditch not having respect for the performance of the car.

Come out and learn your cars' capabilities in a controlled environment where you can go as slow or fast as your are comfortable with where even a spinout has not bad results just respect.

Learn the limits for you and your car.

President: Steve Boyer

Thanked Cyndie for covering

The new meeting location information for September 9th 2026.

The Veterans Building in Petaluma in Conference Room B

The building is next to the Bowling Alley.

The meeting time will remain at 6:30

Note there is no dining at the Veterans Building

It is that time of the year to begin discussing Board membership changes for the next calendar year. We will need to get a Nominating Committee to select people to fill positions open for 2027. Need to get volunteers for the Committee 1 Board Member and 2 from general membership. No volunteers, so there will be phone calls to find persons to run for.

The open positions are President, Steve B has served 4 year and Social, Gloria is thinking whether she wants to stay another two years. The current Treasure, Public Relations, and Publications are staying another 2 year term. The Member at Large normally is the outgoing President, Mike has indicated he might stay on to work on the project. The Board members reelection is split between even and odd years so the entire board is not refreshed at one time every two years.

Need help to fill the slate of officers for the upcoming year.

Think about becoming a board member.

The By-Laws need attention to updated roles within the club based on the NCCCC Governor'

roles and responsibilities.

Received several emails

Brett Peterson is looking for a 1970 Steering Column

Neil Guilia is selling a 1999 C5

Don Drummond wants a C7 GS and a friend is looking for a C6 GS.

TAHOE CITY WEEKENDER AUGUST 21-23 : 13 CORVETTES, 26 MEMBERS, AND PERFECT LAKE TAHOE WEATHER

What a fantastic weekend in Tahoe City! Thirteen Corvettes and twenty-six North Bay Corvette Association members made the trip, and the weather could not have been better.

We gathered at the Sheraton in Petaluma with ten Corvettes and rolled out at 10 a.m. After a pleasant stop for lunch at Max's, we continued toward Donner Lake. The group paused at the Donner Overlook for photos before dropping past Donner Lake and picking up Highway 80 and 89 into Tahoe City. Once we checked into our rooms, everyone had a few hours to settle in before we reconvened for our host dinner in the hotel's sun room right next to the rooms. The deck offered a beautiful view, and the firepit kept things cozy as the evening cooled. Mike and Maryanne joined us, and Gloria and Mike McLucas showed everyone how to really dance. We kept it simple and delicious: cheese and crackers, pizza, fruit, cookies, and a full selection of drinks. Perfect weather, great company, and zero complaints.

Saturday

The group split for the day. Some headed to Virginia City while others played pee wee golf and enjoyed lunch at the famous Gar Woods Pier & Grill. The rest of the crew went to Camp Richardson for lunch at The Grove with live music. A few of us couldn't resist ordering the legendary Rum Runner. Erika and Bill even dipped into the lake to check the water temperature (brisk, as expected).

Everyone returned to the hotel to relax before the evening's highlight: a sunset dinner cruise aboard the Tahoe Gal, which docks right across from the hotel. The views were spectacular. We cruised past Fleur du Lac, the location used in The Godfather, and even spotted Mark Zuckerberg's estate and helicopter pad. On the return to the dock we learned that all of Tahoe City had lost power because of the Hawk Fire in Nevada. That didn't stop us. We simply headed back to the hotel and spent a few more hours around the firepit before calling it a night.

Sunday

After breakfast some members headed home, a few stopped to visit friends along the way, and the rest joined Gloria on her boat for a scenic cruise of the north shore from Hurricane Bay to Meeks Bay. We made a quick stop at Chambers Landing for a cocktail and then enjoyed lunch at Sunnyside restaurant and Lodge. A special thank-you to Gloria for bringing Captain Jack along—his knowledge of powersports, Corvettes, and Tahoe history made the tour even better.

It was a relaxed, and thoroughly enjoyable Weekender. Great cars, great people, and a perfect Lake Tahoe backdrop.

Thanks again to everyone who made the trip, and we'll see you at the next event.

Tahoe City Weekend Adventure:

What a GREAT trip! Fantastic weather (better than expected). So much fun and the chit-chats were pleasant as some of us were able to really get to know each other. On Saturday day I ventured to Virginia City with Mike, Bev, Oscar, Steve & Kelly. It was in the 90's and we walked up and down the old streets going in and out of stores, taverns and churches. We now know Oscar as a shop to you drop kind of guy. Couldn't have asked for a better day that's for sure. As for Saturday night, the dinner cruise was spectacular. The food was excellent and what a nice evening with again fabulous weather. A HUGE thank you to Seb and Erika for going over the top on this one!!

AutoX:

We currently have 14 cars registered at 33 runs. As you all know we had 35 runs last year and that was just not enough. Let's try to get others to participate and at least break even. Reach out and show our spirit in this event.

PRESIDENT'S MESSAGE / AUGUST 27, 2026

Thank you, Seb and Erika, for putting together the weekend trip to Lake Tahoe.

Cinnamon enjoying a little brunch at the
Chamber's Lodge.
Photo 8-23-26 by Barbara.

It was very memorable in so many ways, like Barbara and I being greeted at Chambers Lodge by Cinnamon, a 3- to 4-year-old bear that is familiar to the staff.

FYI: If you don't go, you may miss out on a grand adventure. Thanks, again, to all of you that made the trip possible and so enjoyable.

As I mentioned last month, this is my fourth year as your president of NBCA. I am willing to serve another term as President if members vote to approve a waiver for me to serve more than the By-Laws limit of two terms. Further discussion to be held at our September members' meeting at the Veteran's Hall in Petaluma.

However, we still need a volunteer to step up to be the Social Director. Gloria has done an incredible job these past two years and she is willing to coach anyone wanting to enjoy the challenges of getting volunteers to lead our various Drive-N-Dines, social events and other activities. Please let any Board Members know you are interested.

Our slate of officers will be presented at our membership meeting in October, and elections will be held at our November meeting. Please consider helping at the Board level. It can be fun!

See you on the road.

Until next time, Save the Wave.

Respectfully, Steve Boyer President

WAYNE'S CORVETTE STORY

In 1961, at just 20 years old, I walked into the local Chevrolet dealership in Merced County with one goal—to buy my very first new car, a Corvette.

Most of the salesmen took one look at this young kid and didn't think I was a serious buyer. None of them wanted to spend the time waiting on me.

Then the office manager called me into his office. His name was "Shorty"...which was pretty funny because he stood an incredible 7 feet 3 inches tall! He told me he would be happy to show me the brand-new 1961 Corvette, but there was one problem—he couldn't go on the test drive because he simply couldn't fit inside!

Shorty treated me with respect, answered all my questions, and sold me a beautiful red and white 1961 Corvette convertible—the very first 1961 Corvette sold in Merced County, California.

When the paperwork was signed, all those salesmen who had passed me by suddenly had their tails between their legs.

More than six decades later, my love for Corvettes is still going strong. It all started with one salesman who didn't judge a young man by his age and one unforgettable red and white Corvette that started a lifelong passion.

In 1961, my sweetheart Jerry's father said she could not get married until she graduated high school. I picked her up on graduation night in that red Corvette, and off to Reno we went. Needless to say, her parents were not very welcoming on the way home. Jerry and I were married for almost 59 years before she became an angel.

Over the years, my Corvette passion never faded. I went on to own a 1962 Corvette, a 2015 yellow Corvette, and most recently, a 2024 red Corvette.

30th Annual Nostalgia Days Cruise + Car Show

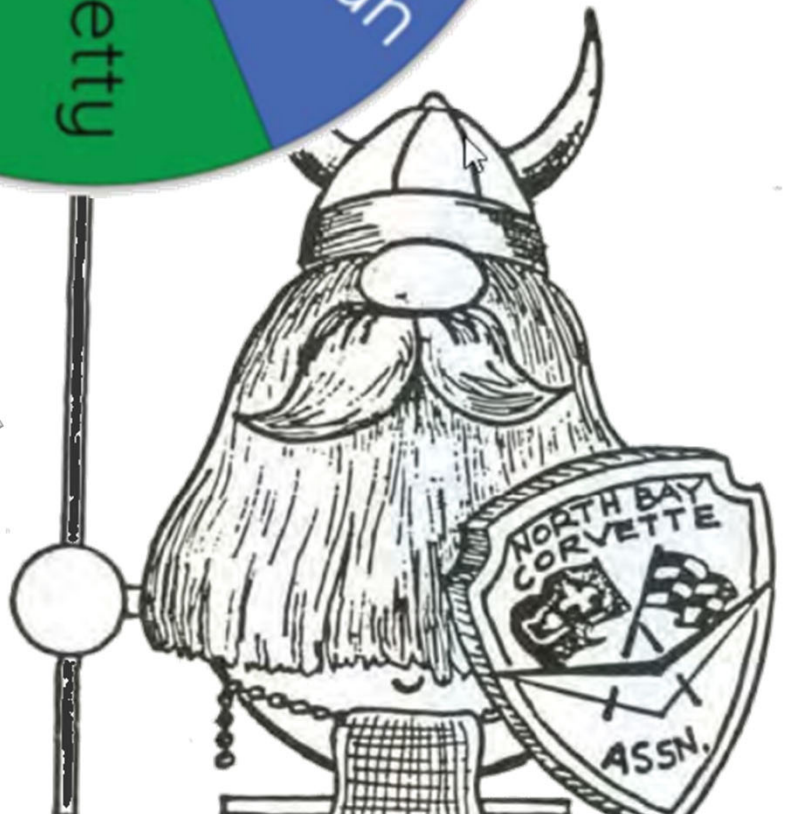

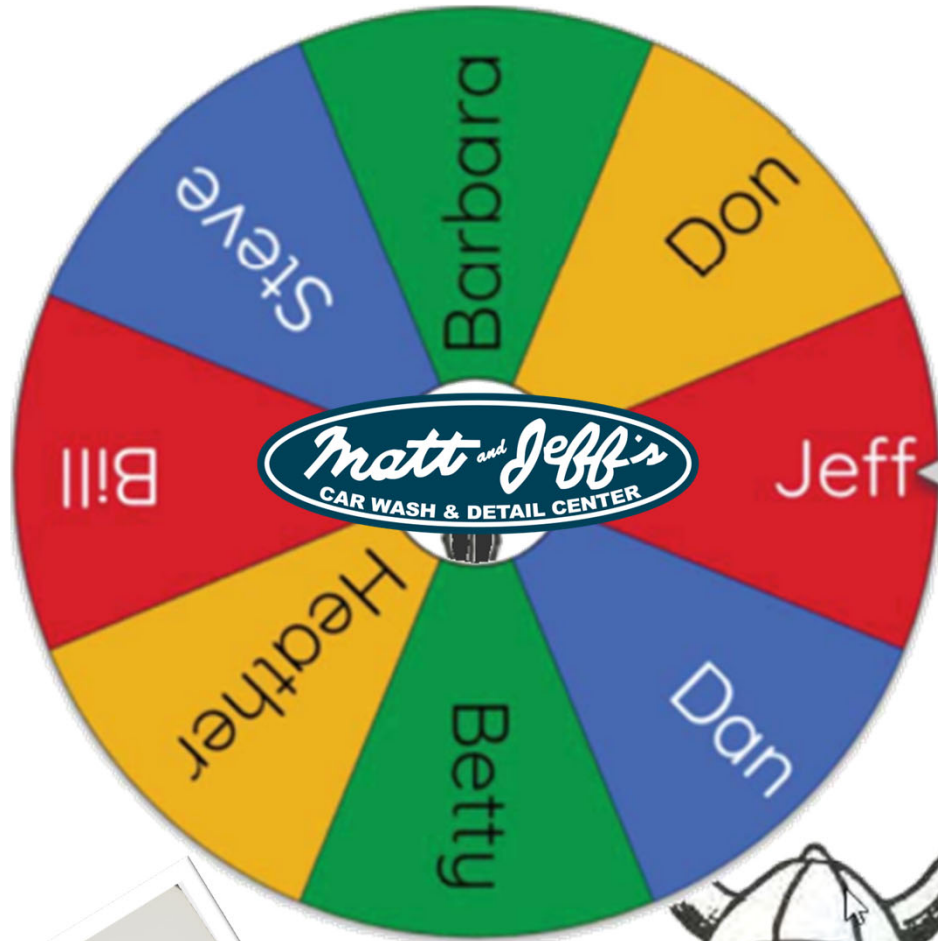

With 29 years behind us, Nostalgia Days — presented by the Downtown Novato Business Association — has become a cornerstone event in Downtown Novato, California. Each year the city closes down 7 blocks of beautifully tree lined Grant Avenue for a full day for car enthusiasts to enjoy the show.

With the sound of classic rock ‘n roll floating in the air and a live band playing, thousands of visitors enjoy free admission as they admire hundreds of vehicles of all types, including classic cars, hot rods and kustoms — just to name a few. The afternoon is capped off with a full slate of awards given to the best in each category as well as cash prizes for Best in Show and the People’s Choice. Hundreds of local families come out to cheer for the police escorted Hot Rod Cruise through Downtown Novato on the Friday evening before the main event.

JOIN US AT THE MONTHLY MEMBERSHIP MEETING FOR YOUR CHANCE TO WIN THE WHEEL 'O' CAR WASH!
