### **President:** Steve Boyer

New Business

The NCCC western region point of contact is called a governor and the NBCA VP will fill that role. The newsletters from outside organizations passed were disseminated.

Old business

Nomination committee. Jane and Eric have contacted all members via email for board nominations. Two positions remain open for Treasurer and Social Director. Jane Rittler reports a few possible nominee's for these positions. Eric did not receive any favorable responses. Gloria is a possible nominee for Social but would like a co chairman. Gloria is concerned about not knowing the local area and Steve Jackson volunteered to co-chair the Social position. Cyndie Pucket is a possible nominee for the Treasure position but will make final decision by the next meeting.

#### Charitable donations

The previous board meeting came up with a list of 8 organizations to receive \$250 each for an annual total of \$2000 in charitable donations. There is still \$1000 available for donation in 2024. Paul Schofield brought suggestion to increase the donations to \$300 for the 501c3 organizations that will receive our donation in 2024. Discussion occurred pointing out that even with this increase the total \$3000 annual charitable donation figure is still not achieved. Dan Divita suggested increasing donations to \$400 for the 8 organizations resulting in a total annual contribution amount of \$3200. After further discussion Ken Albers motioned for total annual contribution to be increased to \$3200 and all 8 organizations to receive a \$400 donation. Wade seconded motion. Motion approved.

### Old Business:

Nothing to contribute. at 7:41.

### New Business:

Jeff Farber asked if we want to continue with Zoom meetings. He conveyed that there is very poor internet connection at Sam's Place and it is a lot of work for him and Sebastian to set up equipment for Zoom at the meetings. Sebastian stated that he is having to use his cellular hotspot for internet during meetings. Additionally, it was conveyed that video is extremely difficult but voice connectivity is not a problem. Ken Albers conveyed that he is traveling the farthest and attends, but supports going to conference calls. Mike stated he didn't have a problem stopping Zoom meetings. Sandy offered to help out with video zoom. Sebastian asked members present if the video portion of Zoom was helpful and several members indicated it was helpful. Issue raised is do meetings revert to conference calls or continue with video/audio Zoom meetings. It was decided to continue meetings with current Zoom format and big screen in meeting room. The issue of a second microphone for meetings was raised and discussion indicated it was not.

Dear NBCA friends,

You may have noticed that I have been MIA for a bit and this past year probably more so, missing meetings and the many Club events. These past many months have been months in transition. I'm thrilled to share that I am retiring after more than 48 years in the auto body business, effective October 31, 2024. Quality Auto Body will close and Alioto Garage (Auto Body Shop), another family run business will assume the space with the same Quality Auto telephone number.

You'll still find me dabbling in my cars... just not in Mill Valley.

I'd like to thank you for all your support and trust in servicing your cars. The grateful for the Club support over the many years.

And now its time to relax and join in the many Club events.

Looking forward to seeing you at the meetings, drive n dines and the many club events.

# Trip to Garbarino WWII Museum in San Rafael

Attending NBCA members: Kevin McKinnie - Paul Schofield - Larry Laino - Steve & Barbara Boyer

Joe Garbarino, the owner of Marin Sanitary Service, started collecting WWII tanks and vehicles in the late '40's.

At one time he owned 14 WWII US tanks. today, he's down to 2; a Sherman tank and a M24 Chaffee tank.

Other vehicles include several Jeeps and armored personnel carriers. Hanging on the walls and from the ceiling are different flags from other countries including a WWII German flag and a Japanese flag.

There were about 25 -30 spectators present. We enjoyed the museum up until 11:30am, when it closed.

It is invitation only and not open to the general public.

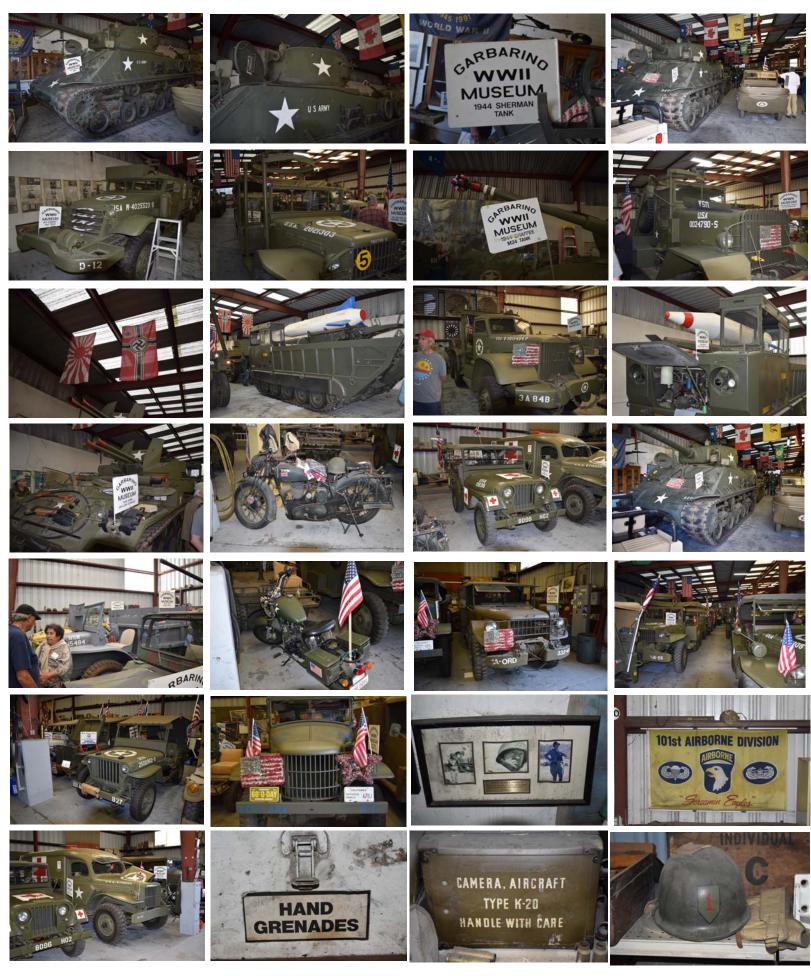

I enjoyed speaking with Joe and family members and learned that most all the vehicles, including the tanks, currently run and are maintained on a regular basis. The last event they were at was on the 4th of July this summer.

They will be participating in the upcoming Petaluma Veterans Day Parade with several vehicles.

A big thank you to NBCA club member Paul Schofield for making this happen.

### Western States Corvette Council (WSCC) News

WSCC will be celebrating its 60-year anniversary in 2025 as the umbrella club was founded in 1965.

The next WSCC member meeting is November 16 at Casa de Fruta in Hollister.

### National Council of Corvette Clubs (NCCC) News

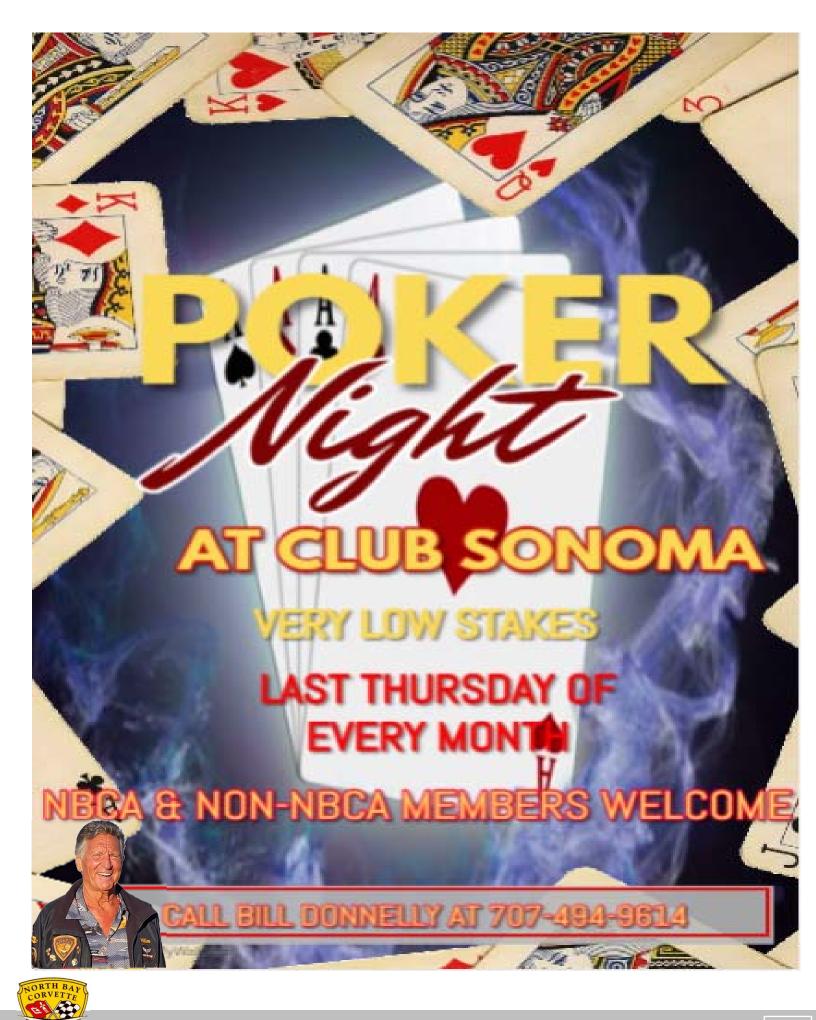

NCCC is nationwide and has thousands of Members. The membership is broken down by regional associations and we are part of the West Coast Region comprising California, Hawaii, and Nevada clubs. The primary reason we belong to an umbrella organization is for insurance purposes. We are monitoring events and meetings conducted by NCCC and will report if anything is of importance.

Respectfully submitted,

# NORTH BAY CORVETTE ASSOCIATION PRESIDENT'S REPORT OCTOBER 26, 2024

Nostalgia Days in Novato was a big success. Thanks to Jeff for coordinating our participation in the event. Through his efforts in getting lots of our club members there, and members from the local chapter of the National Corvette Restorer's Society, we were awarded "Club Par" for the most cars representing one car club, 16!!!

And here's the "Club Par" Trophy on top of Jeff's car with the Club's participants. Thanks again, Jeff.

(Left to right: Gloria, Steve B and Barbara, Dan M, Dan D, Ed, Steve J, an NCRS member, Wade, Ken, Jeff, and Marci)

Thank you, Jeff, for a nice drive to Granzella's last month also. It was a great drive on the back roads (mainly State Hwy-16). The drive back was just as good, if not better on State Hwy-20 through Middleton and Lake County. It felt good to stretch our legs outside Marin and Sonoma Counties for a change.

Make sure you get your reservations in to Betty as soon as possible for our Christmas party that will be held on December 7<sup>th</sup>. Plan on bringing a gender neutral wrapped gift (under \$25.00) to exchange if you want to participate in the gift exchange festivities. It's always lots of fun.

And don't forget Jane's cookie exchange at Dan and Corkie's either. It will be on December 14<sup>th</sup>. Make your favorite batch of cookies to share with everyone and expect to take home some from others. Hot dogs, hamburgers and non-alcoholic beverages will be available, otherwise bring your own beverage preference.

Until next time. Save the Wave.

Respectfully, Steve Boyer, President
