## MEMBERSHIP'S DIRECTOR REPORT

### DECEMBER 27, 2024

Hoping you are enjoying the Holiday Season. NBCA currently has 46 members and 30 associate members. I have completed the 2025 NBCA Roster. It should be sent out very soon. I included everyone's NCCC on the roster this time. If you have any questions, or corrections to the roster, please contact me so I can make whatever changes you wanted.

Steve and I, Dan, Corkie, Jane, Eric and Lynn braved the coastal flooding for the Annual Christmas Eve drive out to Howard's Café in Occidental. There were several flooded sections, but we managed to make it to our destination. Food was wonderful as usual.

Valley Ford Freestone Road on the way to Occidental.

# Christmas Eve Breakfast Run

It was cool wet December morning of Christmas Eve where some Corvette enthusiasts were to meet to take a drive to Howard's Café in Occidental. There can be several reasons why this may not be well attended such as time, the day, weather, etc., but if you just want to go out and do something with your fellow Corvetters and have a nice breakfast before the Christmas eve events take place, then this may be for you. With that being said, we only had three Corvettes and one funny car when we headed out on our usual route on Bodega Avenue toward Valley Ford. This is normally a great road but it has two areas that will flood when we have had a lot of rain. The first one was passable, the second not, so we were diverted on a road that loops south to go around back on to Valley Ford Rd. taking us into Valley Ford. Just after the town we turn right on Freestone Valley Ford road, guess what, more water across the road from Ebabias Creek. We could still see the yellow line so thought it couldn't be too deep, so we slowly forged through the extended puddle and made it through to higher roadway. The rest of the way was uneventful as we arrived at Howards Café. They are always pleasant there and serve good food promptly. We enjoyed the good company and food before we parted ways for the rest of our Christmas eve. I've decided there will be an alternate route in the future to avoid any water challenges. We did prove that Corvettes do not melt in the rain, and do not float away in deep puddles. Hope everyone had a very nice holiday and looking forward to great adventures in 2025.

Eric Larson

## **VICE PRESIDENT'S MESSAGE**

### **DECEMBER 27, 2024**

#### **Western States Corvette Council (WSCC) News**

2025 represents the 60th anniversary of WSCC and the board is planning an anniversary party June 19-21 at the Grand Sierra Resort in Reno.

NBCA is a founding member of WSCC.

The NBCA board and Social Director Gloria will discuss our possible participation.

#### **National Council of Corvette Clubs (NCCC) News**

We are part of the West Coast Region of NCCC and the website address is [westcoastnccc.org](http://westcoastnccc.org). There are few if any items of interest on the NCCC website this time of year. Each member of NBCA is also a member of NCCC, unless they request a waiver. NCCC mails a quarterly newsletter named Blue Bars.

Our club has run autocrosses for many, many years. Autocross hosting stopped a few years ago due to an ability to schedule events. The latest site we hosted autocrossers was Thunderhill Raceway in Willows. Despite the distance from home, we've run successful events however the only dates available to us are in the summer months where temperatures exceed 100 degrees.

We've tried several times to secure dates at Sonoma Raceway, but their rental rates are excessive compared to our limited revenues.

Most importantly, I am playing game #3082 in my Sudoku 10,000 game. I am playing in the Moderate game group, and I am averaging 19 minutes per game.

Respectfully submitted,

- Jeff

## PRESIDENT'S REPORT

### DECEMBER 27, 2024

Barbara and I welcomed both Gloria Aquilino, as our new Social Director (with Steve Jackson's assistance) and Bob Griswold, our new Treasurer, who both attended the Board Change-Over Dinner at our house last month. We are looking forward to their involvement at the Board level to help keep this club moving forward.

I enjoyed seeing many of you at the Christmas party on December 7<sup>th</sup>. Thanks to Betty and Kevin McKinnie for organizing this event. The gift exchange was lively, with quite a few "thefts".

The following weekend was Jane Rittler's cookie exchange at Dan and Corkie Divita's in Healdsburg. We all made our favorite batch of cookies to share with everyone and took home some from others. Hot dogs and hamburgers were available. Thanks to all those involved.

December 24<sup>th</sup> was our run out to Occidental for breakfast at Howard Station Cafe. There was a little more rain than expected, but we "forged" through. Thanks to Eric Larson for leading this event.

Then, to kick off the New Year, we followed Kevin and Betty out to Bodega Bay for clam chowder or crab sandwiches at Spud Point Crab Company. It was all good.

Thanks again, Kevin McKinnie, for leading this event.

More information about all of these and other upcoming events are located elsewhere in this newsletter.

See you on the road. Until next time, Save the Wave.

Respectfully,  
Steve Boyer, President
