If you happen to have a Meyer lemon tree in your back yard like we do, you might want to make this to take with you to an autocross.

	<b>Best Lemonade Ever</b>	<i>Makes 12 cups</i>
<i>From: <a href="http://www.Allrecipes.com">www.Allrecipes.com</a>, 07/26/2020</i>		
<b>Ingredients:</b>		
<i>1 cup sugar 2 cups fresh squeezed Meyer lemon juice 8 cups water</i>		
<b>Preparation:</b>		
<ol style="list-style-type: none"><li>1. In a small saucepan, combine sugar and 1 cup water. Bring to a boil and stir to dissolve sugar. Allow to cool to room temperature, then cover and refrigerate until chilled.</li><li>2. Remove seeds from lemon juice, but leave pulp. In a pitcher, stir together chilled simple syrup, lemon juice and remaining 7 cups water. Serve over ice.</li></ol>		
<b>Notes:</b>		
<p>This is a very refreshing drink. And you can make it hard by adding a shot or two of Vodka.</p>

## President's Message – Validation

Sometimes we make decisions based on thorough research and other times just on a hunch. One of our members is a copycat buyer. Mike G just bought my truck's Big Little Brother, a GMC ¾ ton Sierra AT4. His purchase validated that mine made back in 2019 was a very good one. And I think the fact that my truck has worked very well for me as a daily driver and a towing vehicle is validation too. I went to the auto show at the Moscone Center to look at all of the new trucks - I performed thorough research. And now I can say that my 2016 Z06 has been validated as a good purchase too. I have had a great time with my Z06. I've gone on a lot of Drive and Dine's and Social drives. I've also driven it to the Corvette Owners school in Pahrump, NV and back. And I've driven it to the National Corvette Museum (and back) for the 2019 Corvette Caravan. I've driven it on perhaps a dozen track days, dozens of autocross events, and most recently, in the Open Road Challenge.

I get asked on occasion if I am looking forward to buying a C8 very soon. And the answer is NO. I'm not done enjoying my car. I still get a kick out of getting into it and driving it. I might have a different perspective if the C8 offered a manual transmission. And I know at some point in time, I'll want something new and "better." The purchase of my car was validated by all of the events I have been in and the enjoyment I have had. It will likely be my last stick shift car.

I was quite saddened to hear of the passing of Jack Butler. Jack and Janie sat next to Nora and I at several Drive and Dine meals and I always enjoyed speaking to them. They co-hosted one of our last progressive drives a few years ago. His memorial service will have occurred by the time this newsletter is published and I hope the club was able to honor him with attendance at his memorial.

The Gathering committee continues to work every few weeks on the WSCC Gathering trip to Oregon that the "Club" is hosting. The trip will take about four days of driving to arrive near Portland and three days to return back to the Bay Area. There will be lots of activities during the trip. It will be a very enjoyable outing. I hope you will block your calendar for the dates (shown below) and join the club and dozens of other Corvettes for this trip.

Here is a picture of my 1989 Chevrolet Camaro IROC with T-Tops. It was special ordered from the factory with One-Off options: Red Leather seats with Grey inserts, Red- Colored Hood Louvers instead of Black, and the IROC Side Sticker Removed.

See you on the road at one of our upcoming events - and please, Wave when we meet!

- August 25-30, 2022 - Club hosted WSCC *Gathering* to Oregon
- August of 2024 - Caravan to the National Corvette Museum

Be sure to patronize our advertisers & sponsors & Save the wave!

- Jeff

VICE PRESIDENT - Dan Divita

I hope you all survived the Fourth of July with all extremities still intact and functional.

The year is already half gone, and I haven't accomplished much. Due to "post" pandemic caution, Corky and I have stuck close to home. Hope you did not do the same. Just go out safely, since we're not out of this yet.

We did enjoy the July Club events. Our grandson, Evan, particularly enjoyed the drive-and-dine to Sonoma Raceway, since he got to drive his grandpa's 'Vette. He also got to ride with a CHP officer who was dragging a teenager. (The teenager easily won.) One thing he surprisingly enjoyed was the Drift Car competition going on behind the stands. Not my thing. Thank you, Kevin for arranging this for us.

We are all looking forward to more club happenings as our world improves. While it is always fun to participate, these activities do not just happen. Someone, or some people, have to plan and organize these events. It's really not that hard, since most of any of our events is driving. One just needs to arrange an activity to augment the driving portion. Just let Social Director Betty McKinnie know what you'd like to do, and I'm sure she can put you in the schedule. She does not design the events, but is only responsible for coordinating and scheduling them. Not only would you have a good time, but the rest of us would appreciate it too.

Lastly, this newsletter will appear after the fact of his memorial, but please remember member Jack Butler in your prayers, and Jane Butler in your thoughts. Both great people; and we will all miss Jack's company. Our very sincere condolences to his entire family.

The "Gathering" committee is treading water right now, with the exception of Jeff Farber, and Mike and Maryanne McLucas. The latter recently returned from their latest trip to Oregon, and we are looking forward to meeting to discuss their input and further suggestions. Jeff made a presentation at the last WSCC meeting via zoom on the 20<sup>th</sup>. Dan and Steve Boyer will be travelling to the next Santa Clara Corvettes meeting on August 4<sup>th</sup> to deliver another in-person presentation. Thankfully, Jeff has prepared a video to support us during the presentation. If you haven't heard, or more likely forgotten, the Gathering will begin on August 25<sup>th</sup>, 2022, and will initially last 5 days. There will be an opportunity to extend your drive for an initial 2 or 3 days if you so choose. Those who participated in the 2019 Caravan to Bowling Green know what fun these drives can be. More details in the future, but mark your calendars (does anyone but me still use a paper calendar?) now.

Don't forget to *SAVE THE WAVE...*

**SOCIAL REPORT:** Our July 7<sup>th</sup> Drive/Dine brought us to the Sonoma Raceway in Sonoma with 8 cars. We left at 5:00 pm from Novato Chevrolet. We participated and watched the TOP THE COPS PROGRAM which Kevin McKinnie is the Director. The Highway Patrol officers raced against the High School kids. We had Evan Smith (Dan Divita's grandson), Steve, Kelley and Linda who rode with the officers. We had 13 stay and enjoyed dinner after the program at the Raceway Cafe.

Our July Social Drive was July 14<sup>th</sup> which was combined with our social and General Club meeting hosted by Bill Donnelly at his house "Club Sonoma". We met around 5:00 pm and Bill BBQ'D hamburgers/hot dogs (compliments from the club). Members brought side dishes to share. We had 15 at the meeting which began at 7:10 pm. Bill volunteered to host the August meeting too! It was so enjoyable to share dinner and catch up with everyone!

### **POST YOUR CALENDARS FOR AUGUST**
