DRIVE N DINE EVENT

Crooked Goat Brewing - Petaluma

Take a great drive, then enjoy some beer and burgers at the
Crooked Goat in Petaluma.

What wonderful spring weather we've enjoyed. Hopefully the weather will continue for our Drive N Dine this Wednesday, May 3, 2023. We will meet at an advertiser and take a group picture before heading on our drive to Petaluma.

Our May Drive N Dine is being led by Jeff Farber. We have an interesting meeting location as we will be at busy Matt & Jeff's Car Wash in Novato at 5:30p (right at closing time.)

Due to the time of day we are meeting, do not plan on getting your car washed. They do not have time to do hand washes near closing time, as their crew gets reduced in the late afternoon. If you want your car washed, get it done by 4:00p and then hang out in the shopping center when done.

Arrival time is 5:30pm and the picture will be taken at 5:45pm sharp. Arrival prior to 5:20pm is not allowed - park temporarily in the shopping center parking lot if you arrive early.

ENTER NEXT TO THE GAS PUMPS

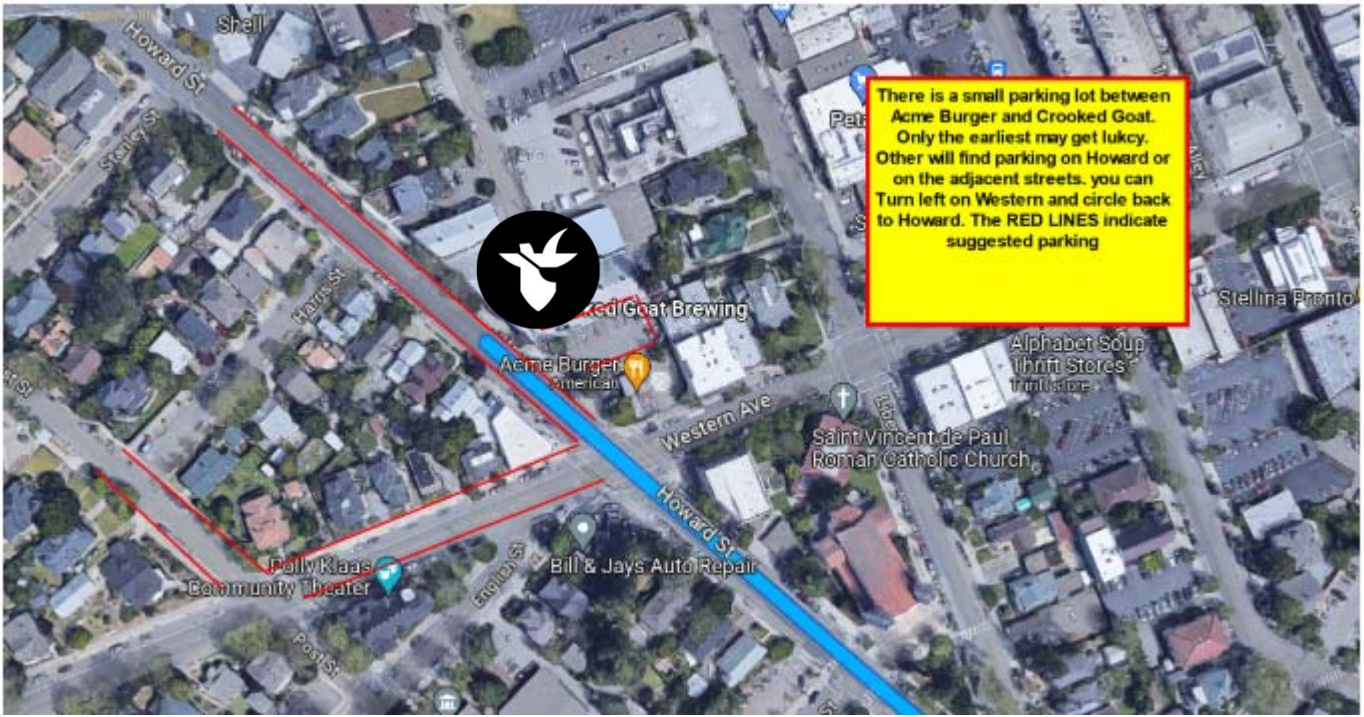

BACK IN TO STAGE FOR PICTURE - Jeff's Black with Red Stripe car will arrive early and will start the staging. When driving around gas pumps toward front of building, drive slowly and look for oncoming cars driving to car wash entrance and gas pumps. Matt and or Jeff should be on hand to help us park. We will cause quite a traffic jam likely, so be patient and considerate of their customers.

ROUTE TO CROOKED GOAT BREWING, PETALUMA

We will exit the car wash after pictures turning right and drive around the shopping center past Costco and exit the shopping center grounds. We will turn onto CA-101 North and exit at Atherton. Turning left at the signal on Atherton, we'll drive San Marin Blvd until we get to the intersection of San Marin and Novato Blvd. We will turn Right and may stop for re-staging right after San Marin High School. We'll drive to the end of the road and turn RIGHT at the stop sign on Pt Reyes/Petaluma Rd. As we navigate the turn, we will be split up because of commute traffic. Stay on the road for 8 miles until you get to 6th Street. Turn LEFT at 6th St and stay on it until it turns into Howard St. You can drive around the small parking lot next to the brewery, but typically you have to park on the nearby streets within a block or two of the brewery.

ARRIVAL INSIDE BREWERY

Upon arrival, find our group at bar where you order and Pay for both your beverages and your Food that will be delivered by Acme Burger. After ordering, we'll find a place in the front or rear where we can gather.

To make your food and beverage ordering easier, review the [BEER, WINE, SODA & FOOD MENU](#). [SCAN QR CODE WITH YOUR SMARTPHONE]

PRESIDENT'S REPORT

APRIL 21, 2023

Greetings all.

Corvette Blogger relates info on Corvette SUVs from the May edition of “Car and Driver” magazine:

“No one outside of General Motors really knows what the company’s plans are for the much-rumored expansion of the Corvette lineup past its current two-seater range.

But in its May 2023 issue, Car and Driver magazine offers its thoughts on all the talk about such a Corvette SUV.

Indeed, the magazine expects such a vehicle to actually be offered in two sizes, a la the Porsche Macan and Cayenne.

They believe the Macan competitor will feature a 300-plus turbo V4 base engine, with an optional twin-turbo V6 available that would create around 400 horsepower.

The larger Cayenne challenger will start out with that same twin-turbo V6, but a more powerful version of the Cadillac Escalade’s supercharged 682-horsepower 6.2-liter V8 – along with carbon-ceramic brakes and super-wide tires – could up the ante considerably, the magazine says.

Car and Driver speculates that the first Corvette SUVs will remain gasoline-powered – not electric – and will be built on the Alpha platform of the current Chevrolet Camaro and Cadillac CT4-V and CT5-V Blackwing.

The magazine expects Chevy to unveil the Corvette SUV sometime this year, with the first units arriving at dealerships in the latter half of 2024, boasting a starting price of around \$60,000.”

We shall see where all this goes, but there are some members of this club that think a Corvette SUV is sacrilegious. It seems like it may be a reality anyway. Sorry, Ken.

Until next time, save the wave.

Steve Boyer
President

As summer creeps closer, I'm starting to think of BBQ plans and beverages that go with it:

Frozen Whiskey Sours

Makes about 6 quarts

From the cookbook:

Southern Living Annual Recipes, 1993

Ingredients:

- 1 (12 oz) can frozen orange juice concentrate, thawed and undiluted
- 1 (12 oz) can frozen lemonade same as above
- 1 (12 oz) can frozen limeade same as above
- 8 cups water
- 4 cups bourbon whiskey
- 2 (1 liter) bottles club soda, chilled

Preparation:

1. Combine first 5 ingredients in a large freezer container; cover and freeze.
2. Remove from freezer 30 minutes before serving.
3. Break into chunks; add club soda as desired and stir until slushy.

Notes:

I use inexpensive bourbon whiskey instead of the good stuff.

I like to make it up a couple days before. Then I set it out for an hour just before I plan to have guests over so it just gets slushy. I serve it with a large ladle and let the guests add as much club soda as they want, instead of me stirring it together ahead of time.

Enjoy!

Steve Boyer

SOCIAL DIRECTOR REPORT

APRIL 22, 2023

April's Social Summary...

Sunday, April 2 was Novato Cars and Coffee. Die-hard Coffee drinker Sebastien represented the club.

Wednesday, April 5, we held our first Drive N Dine of the year. Bill Donnelly has taken his turn as coordinator and this event he planned was excellent. The group met at 5:45pm near the middle archway at the Marin County Civic Center. We parked our 10 Corvettes for photos in front of the iconic building to the chagrin of a few bus drivers.

Once we left on the drive, we headed toward the bay on North San Pedro Road, past Le Chalet Basque (NBCA held a Christmas Dinner some years ago,) and along the curvy road through China Camp State Park. The road was a bit bumpy, but offered beautiful scenes of the bay as we meandered along. A turkey blocked the road for a few minutes, and showed off his fabulous feather display, obviously to attract us. We stopped at a parking lot to stroll through the original village of China Camp and took pictures on the old pier. Once back in our cars, we continued along the bay and drove through McNears Beach, then through the Loch Lomond housing development to see the boats. We had quite a few gawkers at our cars as we passed by and some took videos of our caravan. We continued past San Rafael High School and Dominican College then under the freeway to Cafe Villa Trattoria. The restaurant treated us to a special Corvette menu and the diners enjoyed a wonderful meal.

Our April 12 members meeting was held at Sam's Place in Novato and had an overflowing crowd for both dinner and the meeting. We held our regular Zoom meeting for those who could not join us due to distance.

Our April Progressive Drive on April 22 was our first multi-host social event since 2017. We started our day at Gloria Aquilino's house in San Rafael, with light brunch items. She served Bagels with Salmon, Fresh Fruit, Quiche, Baked Sweets, Coffee and Juice.

We then caravanned to Eric and Lynn Larson's house in Sonoma for lunch. They served Stuffed Mushrooms, Cocktail Meatballs, Meat and a Cheese Tray inside their shop building that stored dozens of collector vehicles.

Next on the map was Janet and Lutz Funke's house in Santa Rosa. For our Main Course, they served Chili with fixings. Participants had a choice of seating on their sunny, scenic deck in the comfortable shade of their Great Room.

Finally, we ended our day at Corky and Dan Divita's house in Healdsburg for dessert. Participants had choices of pie or cakes, and many chose to try both toys of sweets.

There were 17 cars that participated in our caravan. 30 people total.

For more pictures of the April Drive N Dine, please review the blog story on our website found under Media, Drive N Dine.

For more pictures of the April Social, please review the blog story on our website found under Media, Social Drive.

Upcoming social events.....

MARK YOUR CALENDARS.....

By now you should have reserved your first Wednesday of every month on your calendar as Club day. Daylight savings time is on and the daylight hours are long, thus we will run our monthly Drive N Dines starting April.

Our next Drive N Dine is scheduled for Wednesday, May 7. We'll meet at Matt & Jeff's Car Wash in Novato at 5:30pm right when they are closing and take pictures. After the photo shoot, we will head through Novato on the country roads to Petaluma and end up at Crooked Goat Brewing in Petaluma for drinks and dinner. RSVP to attend is needed for this and all dining events. Look for an email to sign up.

Instructions

1. Preheat the oven to 425 degrees.
2. In a small bowl, mix together the panko, parsley, lemon zest, 1/2 teaspoon salt, and 1/2 teaspoon pepper. Drizzle with the olive oil and stir until the crumbs are evenly coated. Set aside.
3. Place the salmon fillets, skin side down, on a board. Generously brush the top of the fillets with mustard and then sprinkle generously with salt and pepper. Press the panko mixture thickly on top of the mustard on each salmon fillet. The mustard will help the panko adhere.
4. Heat the vegetable oil over medium high heat in a 12-inch cast-iron skillet or large heavy, ovenproof pan. When the oil is very hot, add the salmon fillets, skin side down, and sear for 3 to 4 minutes, without turning, to brown the skin.
5. Transfer the pan to the hot oven for 5 to 7 minutes until the salmon is almost cooked and the panko is browned. Remove from the oven, cover with aluminum foil, and allow to rest for 5 to 10 minutes. Serve the salmon hot or at room temperature with lemon wedges.
