Officer Reports

Membership Director Barbara Boyer Barbara on vacation.

Secretary Dan Divita: Dan reported that the minutes of the previous meeting had been completed and were published in the latest Newsletter

Publications Director Sebastien Jame: Nothing new to report. He has added a new blog to the site, a Video of the latest Drive-and-Dine is on the website. The Merchandise area is up and working. He will be assisting Maryann McLucas with Shutterfly information.

Website Master Sebastien Jame: Sebastien had combined information in his Publications Report.

Member-at-large Heather Torres: Heather Torres was not available.

Sunshine Report: Art Appling has scheduled surgery upcoming.

Public Relations Director William Donnelly: Had a great drive for the last Drive-and-Dine. The restaurant we enjoyed (Floodwater) may become a Club sponsor soon. Bill received the new replacement signs for the trailer from our sponsor Durkin signs (\$297). He will give them to Jane to pass on to Eric to put on the trailer. We have only one Advertiser who has not yet paid their fee.

Bill mentioned that he still wants the license plate numbers of member's cars so he can prepare a game.

Social Director Jeff Farber: Jeff mentioned that the Social Calendar on the website needs to be updated. He displayed the calendar on the screen. The next social will be this Saturday, Sept. 16, at the "Wheels and Wings" show benefitting the Pacific Coast Air Museum in Santa Rosa. After that, the next Social event will be on Sept. 23 starting at our sponsor CVE Professional Abatement Solutions in Rohnert Park. Our last Drive-and -Dine of the year will take place on Oct. 4, led by Steve and Kellie King. It will commence at San Marin High School.

October 7 and 8 will be the dates of our final Auto-cross of the year at Thunder Hill Raceway in Willows, CA.

Vice President Jeff Farber: Jeff summarized our insurance situation with Western States Corvette Council. Due to WSCC's inability to obtain insurance for our competitive events, our Board of Directors is recommending to the Membership that we change affiliating on January 1 of next year to the National Association of Corvette Clubs. Many of the clubs previously with WSCC have done so. Jeff and Steve Boyer have been in contact with the NCCC people and feel it is appropriate. (Jane mentioned that we need a quorum of officers to legally vote, but she was advised that for both this meeting and the previous Board meeting, the Boyer's had previously provided their proxy to Jeff to vote in their absence.) The quorum issue was thereby satisfied.

Jeff asked the members if they approved of this transaction. The majority approved.

Individuals may retain their individual membership with WSCC if they so choose.

Ken Albers has accepted Jeff's request to act as our Nominating Committee Chairperson to identify potential officers for the 2024 Calendar Year.

Treasurer Mike McLucas: advised the club of our financial status, including our current account balance, as well as deposits and disbursements that occurred during the preceding month. The club treasury is in a positive and excellent condition. Ken Albers moved that the Treasurer's Report be approved, which was seconded by Maryanne McLucas. Motion approved.

President: Steve Boyer was on vacation and unavailable.

Old Business: Marci Albers had her first National Corvette Museum Ambassador's report. The Museum will conduct three Club contests next year: Newsletter, Website, and Club Banner (In the case of the banner, they will select their choice for best, and it will be hung in the Museum for one year.) We missed the cut off date for submissions of the newsletter for next year. We will have to be on the lookout for deadlines in the future.

Jeff again mentioned the 2024 Corvette Caravan to the Corvette Museum in Bowling Green, Kentucky. The trip will begin in late August, and will take a seven day route to get to the Museum where they will conduct their celebration from August 29-31.

New Business: None.

The **Wheel-of-Car-Wash** winner this month was Betty McKinnie.

PRESIDENT'S REPORT

SEPTEMBER 22, 2023

Please attend the membership meeting October, at Sam's Place. Most of us get there at 5:15 to have dinner before the 6:30 meeting. It helps support our advertiser, socialize, and strengthen relationships.

Last month, I was not able to attend the Board and General Membership meetings because Barbara and I were on a Seabourn Mediterranean cruise. On the day of the last Board meeting, we were stuck on the rooftop of the Majestic Hotel in downtown Barcelona having to scrounge up something to eat and drink. Tough luck!

During the day of the last General Membership meeting, Barbara and I had to dig up whatever we could find to nourish ourselves in Soller, Mallorca, Spain. A challenge.

It was difficult, but we succeeded. We weren't sure if we were in Spain or San Francisco, though. The sandwich board with the menu on it was in both English and Spanish next to the trolley line. Where have I seen that before?

Anyway, I promise to be back to our autocross and meetings. Save the wave.

SOCIAL DIRECTOR REPORT

SEPTEMBER 23, 2023

Wednesday, September 4, was our scheduled monthly Drive N Dine. Bill Donnelly hosted the drive and the attendees met near the former Sears Store at Northgate Mall. There were 15 Corvettes, including three prospective "cars" on the drive. Bill led the caravan south on 101 through the tunnel leading to Ft Cronkite, and up to the top of the headlands ridge overlooking the bridge and the bay. After a photo stop, the caravan headed down the steep coastal road to Ft Baker for another photo stop. Then back through the tunnel the group drove and over to Floodwater restaurant in Mill Valley.

Our Drive n Dine season is coming to a close with our final Wednesday night event of the year scheduled for October 4. This event will be led by Steve and Kellie King and will feature a West Marin Drive ending at Rancho Nicasio.

September 23 was the date for our September Social. This drive was led by Dan Divita and featured a group photo at one of our newest sponsors, CVE, located in Rohnert Park. A group of 16 Corvettes met for the photo then headed out for a scenic Sonoma County drive. We drove through Sonoma roads to Highway 12 then over the hill to Highway 128. We stopped at the casino for a quick potty break then continued on Highway 128 until it reached Geyserville. There, we stopped at Diavola Pizzeria for dinner. The route was perfect and everyone had a great time.

Our next Social is scheduled for Saturday, October 21. It will be a game of Bocce and a picnic at Marin Bocce hosted by Steve and Barbara Boyer.

NORTH BAY CORVETTE ASSOCIATION MEMBERSHIP'S DIRECTOR REPORT SEPTEMBER 22, 2023

Hello everyone. Steve and I have been gone since August 23rd so we missed the regular Membership meeting and the Board meeting.

Jeff informed me that two prospective members, Bob and Phil attended the Membership meeting. Pete and Christine Anderson, who used to be members a few years ago, also attended the meeting.

They have now purchased a C8 and wish to join the club again.

Steve Shaffer, who attended our August meeting is going to join the club. I have sent him an application.

Barry Edgehill is also still interested. He attended the drive to Ken and Marcie's with the club.

I will be in touch with these prospective members now that we are back from our 10th wedding anniversary trip to the Mediterranean.

NORTH BAY CORVETTE ASSOCIATION VICE PRESIDENT'S MESSAGE SEPTEMBER 22, 2023

The Vice President is in charge of competition events and is our club representative for our Umbrella organization. Our membership recently voted to change from WSCC to NCCC starting in 2024. We will need to fill out NCCC membership forms in November.

Travel to Corvette Racing

I represented the club, at my expense, at the September 17 IMSA race at the Indianapolis Motor Speedway. Chevrolet spent a bundle sponsoring a Corvette Corral, hospitality tent, and they brought an eRay, three Z06s, a Stingray, a Camaro ZL1, a ¾ ton Silverado, a Colorado ZR2, an Equinox, a Bolt EUV, and a Suburban. There were also five Indy 500 pace cars on display. In total, 15 cars were on display from Chevrolet.

Former chief engineer of Corvette and now chief engineer of autonomous and electric vehicles, Ed Piatek, spoke to the Corvette Corral attendees. He was focused entirely on Corvette when they were developing the cars recently released and was intimately familiar with the new Z06 and eRay.

This is the second to last race for the existing C8.R race car with the IMSA racing series. Next racing season a new car will be used. I got to talk racing with the drivers and crew, and was actively recruiting Corvette drivers for the Silver State Classic in May.

The club's second autocross weekend of the year will be held on October 7 and 8. The club has been hosting autocrosses for 50 years. Those that wish to enjoy their Corvette as it is designed to be enjoyed, can be part of this wondrous event.

Respectfully submitted,
Jeff

Our club participates in the annual Veterans Day parade in Petaluma. Each driver chauffeurs a military veteran in the parade. It's a full day of fun, including breakfast, free for the veteran, a group picture, and then the parade. Following the parade, we head to the VFW for beverages and sometimes lunch.

To sign up as a driver for the parade, call or text Kevin at 707-483-4531.
