GENERAL MEETING MINUTES

AUGUST 9, 2023

Meeting Minutes

Location: Sam's Grill, Novato, CA

Officers Attending In-person:: Steve Boyer (President); Mike McLucas (Treasurer); Dan Divita (Secretary); Barbara Boyer (Membership); Sebastien Jame (Publications); Bill Donnely (Public Relations)

Officers Attending via Zoom:: Jeff Farber (Vice President and Social Director)

Members Attending In-person:: Maryanne McLucas; Peter and Annette Healy; Ken and Marci Albers; Jane Rittler; Paul Schofield; Steve Jackson

On-line member attendees: Betty and Kevin McKinnie; Gloria Aquilino; Janet and Lutz Funke; Don Drummond; Mike Giordano

Guest: Steve Shasser

Meeting Called to Order: 6:30

Officer Reports

Membership Director Barbara Boyer Barbara mentioned that Mark and Claudia have applied for membership. She has not yet heard anything further from our guests last month: Ted and Jeanette Meyer.

Secretary Dan Divita Dan reported that the minutes of the previous meeting had been completed and were published in the latest Newsletter. At President Boyer's request, a motion for approval of the minutes was made by Jane and seconded by Annette. Motion approved.

Treasurer Mike McLucas advised the club of our financial status, including our current account balance, as well as deposits and disbursements that occurred during the preceding month. The club treasury is in a positive condition. Marci moved that the Treasurer's Report be approved, which was seconded by Maryanne McLucas. Motion approved. He has car wash tickets available for those who want one.

Publications Director Sebastien Jame, The new, portable banner display on which Sebastien has been working is on display at the restaurant entrance. It is very impressive. He has established a Club account on Shutterfly so that we may accumulate and manipulate our photos in an attempt to recreate our history. Maryanne mentioned that we need to accumulate old hard copy pictures of club events on Shutterfly. Eric Larson has already started an effort to obtain pictures from members and should be contacted. Sebastien will assist with uploading those photos once we have received them.

Sebastien has also posted on the website, an on-line website with club logo images so members may order their own logo items. He showed images of sample items.

Website Master Sebastien Jame The only thing new is that there is a new blog on the site where we can list our Drive-And-Dine events.

Public Relations Director William Donnelly Bill has again requested that members provide him with their Corvette license plate number because he is planning on creating an awesome game using them. Please send them to him prior to the end of the month.

Bill wants to lead the September 6 Drive-and-Dine. He has an awesome place to eat, and will have a coastal drive before we stop to eat.

Bill also mentioned that one of our advertisers has not yet paid their fees. A discussion ensued on whether dues should be payable for an annual year, or for twelve months from sign-up. The treasurer would like to migrate to a calendar year basis, rather than having multiple start dates for every sponsor or advertiser. More discussion needs to be undertaken on this topic at a board meeting.

Bill has been in contact with Durkin Graphics, our trailer sign manufacturer regarding our new and replacement signs for the trailer. They are available for pick up, and he will do so next week. Bill was correct on the spelling of their name.

Bill needs more Club brochures and cards to distribute. Following discussion, the group agreed to an expense of up to \$400 to acquire 500 brochures and 100 cards. Paul moved to approve the expense, and Ken seconded. Motion Approved. Bill will not be at the next Board Meeting.

Member-at-Large Heather Torres could not be present

Sunshine Report We have not been advised of anyone that is suffering an illness or otherwise needs encouragement.

Social Director Jeff Farber Jeff displayed our Social Calendar on-screen, and described several of the upcoming events.

Vice President Jeff Farber, Jeff and Steve Boyer have both been in contact with representatives of the National Council of Corvette Clubs, a national umbrella organization similar to the Western States Corvette Council, of which we are currently a member. Fifteen of the current WSCC clubs have elected to join NCCA In view of the difficulties that WSCC.is facing. The Board is considering recommending that we join NCCC next year to regain some of the insurance lost to WSCC, and have a greater affiliation with other clubs. The Board will make a formal proposal to the membership for approval before any action is taken. Dues for new members of NCCC are \$35 the first year, and \$25 per year after that. To ensure that spouses and close friends are insured, they must be registered as a member as well, at a cost of \$10 per year. Therefore, the cost of membership for a couple after the first year will be \$35, the same as our current dues for WSCC.

Jeff mentioned our upcoming Autocross on October 7 and 8 at Thunderhill raceway. He has seen the new extended paved area of the lot we currently use, and, while it will not be available to us for use as an expanded course area, the entire area has been improved.

President Steve again mentioned the insurance issue facing us and our intent to push through the issue and determine the best course of action for the Club.

NORTH BAY CORVETTE ASSOCIATION

PRESIDENT'S REPORT

AUGUST 20, 2023

Please attend the membership meeting September, at Sam's Place. Most of us get there at 5:15 to have dinner before the 6:30 meeting. It helps support our advertiser, socialize, and strengthen relationships.

This month, we will be discussing pros and cons of Wester States Corvette Council (WSCC) membership vs National Council of Corvette Clubs (NCCC) membership. We will actually vote on whether to leave WSCC, or not, and to join NCCC, or not. Or be members of both! We need your input, and your vote! Please be there.

I belonged to NCCC when I was stationed at Fort Carson, CO in the late '70's and the early '80's, belonging to Colorado Springs Corvette Club. I auto crossed my 1978 Corvette there. I was again a member of NCCC when I was stationed at Eisenhower Army Medical Center, Fort Gordon, GA in the late '80's and early '90's, when I belonged to Corvettes of Augusta. I still auto crossed my 1978, but also auto crossed my late wife's 1987 coupe.

News from NorCal:

If you're interested in going on a tour to Reno – Tahoe, join the Corvettes of Fresno (who are celebrating their 60th Anniversary this year) September 7th through the 10th. A flyer with more information and a registration sheet is on NCCC's website under the West Coast Region.

The Silver State Classic Challenge will be September 14 through the 17th. Join Jeff Farber, Helen Landis, and other WSCC members in Ely, NV, for a challenging drive at your "chosen speed category" for 120-some miles on a closed two-lane highway. Restrictions apply. ☺ See WSCC's website for more details.

Santa Clara Corvettes is putting on their annual Corvette Spectacular car show in Los Altos on September 17th. A flyer with more information and a registration sheet NCCC's website under the West Coast Region, and also WSCC's website and Santa Clara Corvette's website.

Until next time, save the wave.

FIRESTONE GRAND PRIX OF MONTEREY

Save the Date

The intensity level will be at an all-time high as the NTT INDYCAR SERIES returns for its season finale at the Firestone Grand Prix of Monterey. Five drivers were in the hunt for the title in 2022, with Alex Palou winning the race, and Will Power capturing the coveted Astor Cup to win the overall championship. Be sure to place yourself in the driver's seat for 2023 as the exciting season will have its climax at the freshly repaved WeatherTech Raceway Laguna Seca circuit.

NORTH BAY CORVETTE ASSOCIATION

SOCIAL DIRECTOR REPORT

AUGUST 20, 2023

Wednesday, August 2, was our scheduled monthly Drive N Dine. The Boyers hosted the Drive and the attendees met at San Marin High School next to the Farber Horses. Buddy and Lily watched from afar while 15 Corvettes and one Tin Lizzy congregated for the pre-drive social time. Lynn and Eric brought Lynn's fabulous black C3 out of storage for the event while two guest Corvettes also participated.

The route headed west and unbelievably, all cars started in a single line. But upon reaching the left turn at Petaluma/Red Hill road, the group split up. A large horse trailer held up the last seven cars driving slower than the speed limit until the group collected in Nicasio. The turn onto Lucas Valley Road led to some uneasiness as a road sign warned of Loose Gravel. However, that gravel was no longer there and instead we experienced a fabulous newly paved road. But a van limited the speed of the caravan for most of that road. The final section of the drive through residential Terra Linda was uneventful. Dinner was held at The Monk's Kettle..

August 26 was the date for our August Social. This drive was led by Mike and Maryanne McLucas and featured a southern Marin coastal drive followed by a visit to the Disney Family Museum in the Presidio. The group of 12 people in 8 Corvettes met at the parking lot next to Piatti Restaurant in Mill Valley and drove through downtown Sausalito, then proceeded to Fort Baker for a

photo stop with the bridge as a backdrop. Heading south, we crossed the Golden Gate Bridge and drove following the ocean coastline. We drove through the Sea Cliff community, past the Legion of Honor and through Lincoln Golf Course, then stopped at the Lands End Rest Stop for a restroom break. We continued past the now closed Cliff House restaurant near Seal Rock, and along the Upper Great Highway drive. We took a U-turn and went back until we re-entered the Presidio and continued to the large Parking lot for the Disney Museum and the Officer's Club.

The museum is housed in an old army building, but nicely remodeled for its current use. The museum displays the history of the Disney Family starting with Walt's early life on a farm in the Midwest to suburban life during high school years. His high school newspaper drawings are shown where he explored a variety of characters. He was fascinated with cartoons and evolved his work from simply cartoon advertisements to comic strips.

The museum shows the evolution of his comics, his study of movement and motion, interest in music, and the development of his characters and techniques from short movies to full length cartoon features. It explains his family life, fascination with trains, and successful developments of his studios and theme parks.

A second temporary exhibit named Disney Cats & Dogs was housed in a separate building.

Our next Drive N Dine is scheduled for Wednesday, September 6. We'll meet at Northgate at 5:30pm (specific location to be announced) and take pictures. After the photo shoot, we will head South on 101 through Sausalito, through the Fort Cronkhite tunnel and around the Marin Headlands. Bill Donnelly is leading this drive which will end for dinner at Floodwater in Mill Valley. RSVP to attend is needed for this and all dining events. Look for an email to sign up.

Our next Social is scheduled for Saturday, September 26. We'll spend a morning of Corvette driving through Southern Marin and arrive in San Francisco for a visit to the Walt Disney Family Museum. There is a temporary exhibit called Disney Cat's and Dogs with character animation cels, drawings and stories from 101 Dalmatians, Pluto, Lady and the Tramp and many more.

CORVETTE ENGINEERING

THE FOLLOWING IS A Q & A BETWEEN JEFF FARBER
VP OF NBCA AND JOSH HOLDER, CHIEF CORVETTE PRODUCT ENGINEER.....

This part of the discussion revolved around patents.

Jeff: My family has a lot of product patents, including some in my wife's Nora's name. Can you get patents as engineers at GM, and do you have any to brag about?

Josh: You can earn patents at GM. I have 4 on the C8 Corvette. 3 of them are related to chassis structure, 1 related to engine intake air induction. There are some at GM that have many (dozens) of patents.

This part of the discussion was nostalgic to our youth.

Jeff: I remember my Grandpa's Rambler had a tissue holder that hinged under the dash and my grandma's Nova heated the cabin in 30 seconds when it was really cold out. What car features from your childhood provide great memories for you.

Josh: My mom drove a 77 Monte Carlo with swivel bucket seats. It was an attention getting car anyway...Black with white interior and a moon roof, but the swivel buckets were the coolest feature. My dad had a full-size Chevrolet pick-up with dual fuel tanks with a switch on the dash that allowed you to go from one to the other.

This part of the discussion pointed to the lunacy of teenage driving decisions.

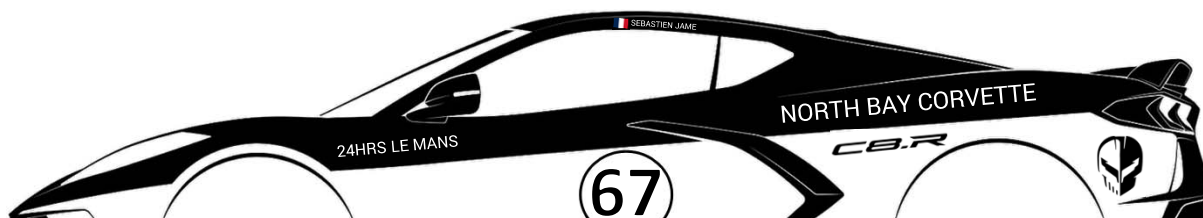

Jeff: Do you have any teenage or young adult dumb driving decisions to share?

I have a few driving experiences from my youth I'm not very proud of.

- I rolled a 1972 Mercury Capri on the freeway after midnight when falling asleep at the wheel. The smart thing I did was have a taller friend (passenger) who held the roof up with his head. Neither of us were hurt.
- I drove across the Richmond/San Rafael bridge with five people in my 1977 Chevrolet Blazer reaching at least 120 miles per hour (the maximum shown on the speedometer). The truck bounced up and down the whole time at that speed.
- At 17, I got kicked off Sears Point Raceway when, after a motorcycle race I attended as a First Aid worker, I got up on two wheels in the same Blazer on the hairpin turn following fellow turn workers in their Tricked-out Datsun 510s. I miraculously didn't roll and didn't hit the wall. I still challenge myself driving but am much safer...I tried to use Launch Control on an Autocross course in my C7-Z06, but the first turn came up too quickly for me to stay inside the cones.

Josh: My first car was a 1969 Camaro with a 350 and a manual transmission. I bought the car when I was 14 for \$2000. It needed a lot of work, but as far as I was concerned it was the fastest thing on the road. I got my driver's license on my 15th birthday which was in the middle of a Montana winter. That car on slippery roads taught me some valuable limit handling skills early, but like any teenager with a "fast" car I did some dumb things and got lots of speeding tickets. I was known by the local highway patrol. Luckily, I was never in an accident with it. There was a lot of drag racing with a muscle car like an old Camaro. I recall one such time where near the end of the ¼ mile I could see some strange objects in the road ... that turned out to be legs...connected to the large bodies of elk! There was some emergency braking and evasive lane changes (that should never be done to avoid an animal) but I didn't want to damage the car I was trying to fix up.

Burn-outs were also juvenile fun in a car like that. The only thing that prevented me from doing more of them was that I had to buy my own tires. I recall going about as fast as the car would go in reverse, then shifting into 3rd gear, revving the engine to about 6000 rpm, then side stepping the clutch. The speedometer would indicate something like 90 mph when the car was still moving backwards. Needless to say, there was a lot of smoke involved with a tire spinning that fast on dry pavement. I can't believe I didn't break anything.

PUBLIC RELATIONS REPORT

AUGUST 29, 2023

Hi gang hope everyone's doing well, we only have one advertiser, Matt and Jeff's car wash that hasn't paid yet, but I'm gonna get there check this week. Going to pick up our new decals for our trailer from Durkin's this week.

Oh, got a call from Pete Anderson he got another Corvette and is feeling good again, so he's going to join our club again, and coming to our meeting Wednesday night at Sam's, great news!!!

Oh, I'm doing the drive n dine this month September 6th, going to be a good one don't you miss it!!!

That's it for now, Life is Good!

NORTH BAY CORVETTE ASSOCIATION MEMBERSHIP'S DIRECTOR REPORT AUGUST 20, 2023

MEMBERSHIP REPORT:

Welcome Mark and Claudia Spongberg to NBCA. They are our newest members to join. They have a 2016 Z51, Black/Black Corvette. They reside in Santa Rosa. Mark is an accomplished pilot with his own plane. He was kind enough to take Mike McLucas and I up in his plane for a ride when we brought our Corvettes to the Sonoma Airport for a show. Maryanne wouldn't ride with us.

We still have several prospective members I have been in touch with. I'm just waiting on their applications to be submitted

NORTH BAY CORVETTE ASSOCIATION

VICE PRESIDENT'S MESSAGE

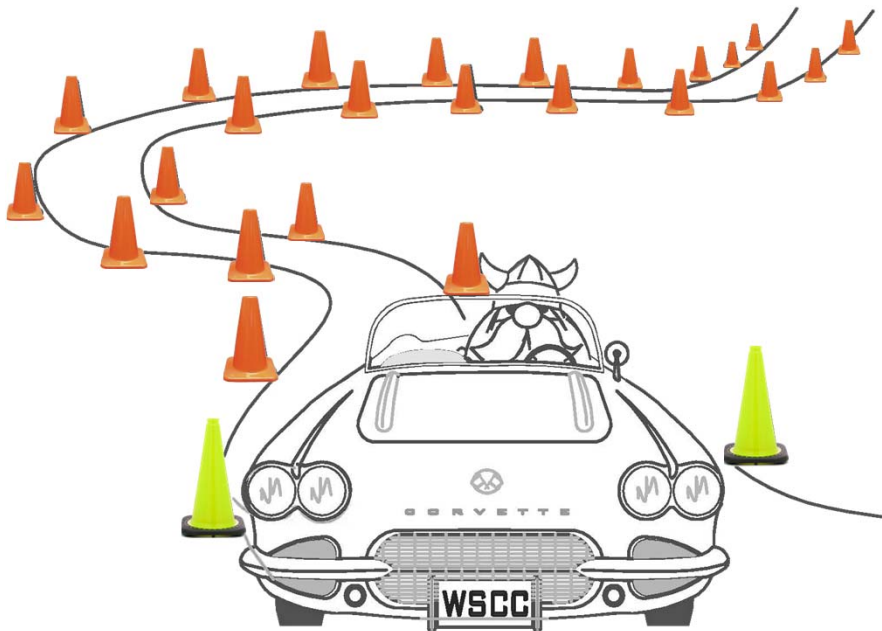

AUGUST 20, 2023

The Vice President is in charge of competition events and is our club representative for our Umbrella organization, WSCC.

Our board of directors has investigated the option of switching umbrella organizations from Western States Corvette Council (WSCC) to National Council of Corvette Clubs (NCCC.) A large majority of clubs dropped membership in WSCC last year due primarily to the loss of insurance WSCC used to provide. NBCA has a very long history of active membership with WSCC and participated in many social events, competition events, and conventions associated with WSCC.

At the August board meeting, held before the publication of this article, the board was slated to fully discuss the two umbrella organizations, and vote to recommend to the membership a change in umbrella clubs. Please attend the September 13, 2023 meeting where that important agenda item will be discussed, and possibly voted upon.

The club has about 15% of membership participating in off-street competition or speed-related driving events. For those of you that have an interest in experiencing your performance car in a safe, off-street manner, our club is hosting an autocross in Willows October 7 and 8. Beginning drivers are welcome and one of us will drive with you to assist you. Please ask a member of the board for more details of this upcoming trip.

Respectfully submitted,
Jeff

27th Annual Nostalgia Days Cruise + Car Show

Save
the
Date

With 26 years behind us, Nostalgia Days — presented by the Downtown Novato Business Association — has become a cornerstone event in Downtown Novato, California. Each year the city closes down 7 blocks of beautifully tree lined Grant Avenue for a full day for car enthusiasts to enjoy the show.

With the sound of classic rock ‘n roll floating in the air and a live band playing, thousands of visitors enjoy free admission as they admire hundreds of vehicles of all types, including classic cars, hot rods and kustoms – just to name a few. The afternoon is capped off with a full slate of awards given to the best in each category as well as cash prizes for Best in Show and the People’s Choice. Hundreds of local families come out to cheer for the police escorted Hot Rod Cruise through Downtown Novato on the Friday evening before the main event.

27TH ANNUAL NOSTALGIA DAYS NOVATO CRUISE & CAR SHOW

SATURDAY, OCTOBER 7, 2023

6:30AM GATES ★ 10AM SHOW ★ 3PM AWARDS

BBQ & BOCCE BALL

Save
the
Date

Steve and Barbara will host us for Bocce and a BBQ at Marin Bocce. They hosted us several years ago at this great facility and it was an extremely fun day. Bocce is very easy - just roll the ball.

NORTH BAY CORVETTE

BOCCE BALL RULES

- FORM TWO TEAMS OF 2 - 4 PLAYERS
- ONE TEAM TOSSES THE "PALLINA" (LITTLE BALL) DOWN COURT
- TEAMS ALTERNATE TOSSING BOCCE BALLS, TRYING TO GET CLOSEST TO THE PALLINA OR TO KNOCK THE OPPONENTS' BALLS AWAY
- THE CLOSEST TEAM SCORES POINTS FOR EACH BALL CLOSER THAN THE OPPOSING TEAM'S BALLS
- THE FIRST TEAM TO SCORE 11 POINTS, **WINS**

THE 10 CORVETTES COMMANDMENTS

**As a corvette owner,
I solemnly swear that I will abide by the
10 Corvette Commandments**

- 1. Thou shalt not loan a Corvette to anyone.**
- 2. Thou shalt not bring a Corvette to an automatic car wash.**
- 3. Thou shalt not fail to wave to a fellow owner.**
- 4. Thou shalt not swear at Corvette – for it is very temperamental.**
- 5. Thou shalt not cruise on an unpaved road.**
- 6. Thou shalt not pass a fellow Corvette owner in distress.**
- 7. Thou shalt not feed with budget grade fuel.**
- 8. Thou shalt not expose Corvette to severe weather conditions.**
- 9. Thou shalt not forget to activate alarm.**
- 10. Thou shalt not acknowledge a Porsche or 280 Z as being true sports cars.**
