PRESIDENT'S REPORT

NOVEMBER 29, 2023

Please attend the New Year's Day run to the Spud Point Crab Shack, Bodega Bay

They have great clam chowder. Barbara and I usually have a pint apiece along with some sour dough bread, and take a fresh cooked crab home for dinner later that night.

The Coffee Meet-Up is the first Wednesday of January and will be at Javamore in Penngrove. Details are located elsewhere in this newsletter.

The changeover of club officers' dinner will be at our place January 9th. All officers, both incoming and outgoing, are expected to attend.

Our next membership meeting will be at Sam's Place January 10th. Most of us get there at 5:15 to have dinner before the 6:30 meeting. It helps support our advertiser and we get a chance to socialize and strengthen relationships. It's all good.

Please take a good look at the suggested updates to the Bylaws and make sure they reflect what we need for this organization. If you have any additional input, please send it to me before the January meeting. I hope we can finalize changes at that time.

Barbara and I wish you all a Happy New Year. Hope to see you all at our club events this month and welcome all of our new members going into the New Year.

Until next time. Save the Wave.

Steve Boyer, President

SOCIAL DIRECTOR REPORT

DECEMBER 28, 2023

Jane's 45th annual Cookie Exchange and lunch offered a fantastic holiday kickoff Saturday, **December 2** at Dan and Corky's house in Healdsburg. Despite a light rainy day, more than 30 attended with wonderful cookies to share..

Wednesday, December 6 was the date of our Morning Meetup, this time in Novato. We met at Creekside Bakery, which not only served Coffee and Bakery items, but also breakfast items. The weather was excellent and we were outdoors. There were only a few Corvettes but 12 people gathered for the Meetup.

The annual Christmas Club dinner was held at the Club Restaurant in San Rafael. Betty and Kevin McKinnie again hosted the festive occasion. Betty planned the meal items and decorated the tables while Kevin created the multimedia presentation and played holiday photographer. The photos are available for viewing on the club website. More than 40 Club and family members attended, each dressed in colorful holiday attire.

The event concluded with the wrapped gift exchange; a famous for gift stealing from those who have already drawn a present. This year, Oscar's daughter was the person whose gift was most stolen. Hopefully she returns next year for revenge.

Eric's Christmas Eve drive to Occidental was a Caravan of 10 Corvettes. The smiles tell a tale of the success of the event.

The deadline of this publication was before our **New Year's Day** Clam and Crab Chowder Run by Kevin. Please read the February newsletter (and check the website for photos that will be posted after the event.)

Our next Morning Meetup will be at JavAmore Bakery in Penngrove on Wednesday, January 6 at 9:00am. 10101 Main St, Penngrove.

I'd like to welcome David Keeney to the social director position. David will write the newsletter article for the next issue. He will also start creating events for this year's calendar. I have enjoyed playing social coordinator for 2023 but look forward to focusing my time on the Vice President functions as we begin our NCCC year. I also have a few grandiose ideas that I am exploring.

Some of you may remember an article I wrote last year regarding my Christmas Ties. Despite heavy stress, I was successful in wearing my six Christmas ties this Christmas season. Luckily, my loving family resisted buying me any new ties. I look forward to next year's Christmas Tie wearing challenge.

Christmas Eve Breakfast Run

It was a cool Christmas Eve, Foggy morning as we met at the parking lot of O'Reilly's auto Parts in Petaluma. Jane, Ken & Marci were the first to arrive and by our departure time of 8:30 we had 10 cars and 16 people. We headed out Bodega Ave. West toward Valley Ford, then turned north and made our way to Howards Café in Occidental, it was a nice drive with some fog and some sun trying to come through but not quite. Howards wasn't too busy, so we were able to order and sit mostly at one table with I table overflow. Their service was quick and tasty as usual. We filled out stomachs while telling stories until we couldn't take anymore and departed on our separate ways to continue the holiday. It's always a nice to start the Christmas Holiday with the people and cars we enjoy so much, see you next year.

PUBLIC RELATIONS REPORT

DECEMBER 29, 2023

Hi gang, hope all is well with everyone after your big Merry Christmas, mine was great in NY with my family, well hear we go again with another exciting year for our club, first off we'll be getting 4 new advertiser's and maybe one of them will be a sponsor, floodwater is still on the fence about advertiser or sponsor, let you know on that, but Milani's Autocraft, McInnis Park Club Restaurant and Genuine Motors are in for advertising, could be \$600 dollars to our club! Let you know at our next meeting!

Other than that Life is good. Hope you all had a Merry Christmas; I sure did with my family in NY.

NORTH BAY CORVETTE ASSOCIATION MEMBERSHIP'S DIRECTOR REPORT DECEMBER 29, 2023

Hoping you had a very Merry Christmas and your New Year will be happy and filled with Corvette fun. We are heading to Bowling Green, KY this year.

We have all of the members' dues collected for NBCA and NCCC. There are 78 members from NBCA who are now NCCC members.

I have received some inquiries about the club through our website and have sent information to them about activities and requirements for membership.

Thank you for your continued participation with NBCA.

CORVETTE ENGINEERING

THE FOLLOWING IS A Q & A BETWEEN JEFF FARBER VP
AND JOSH HOLDER, CHIEF CORVETTE PRODUCT ENGINEER.....

Christmas Question: Did you decorate your house for Christmas? I did some lights on the outside, Angela did the hard work on the inside. We host a Christmas part in early December, so there was incentive to get it done early.

Computer-related Question: Approximately how many features are shut down when placing the C8 in Track Mode? None directly in just Track mode. In Performance Traction Management, we can scale back the Traction Control System and Electronic Stability Control to the point of shutting both of them off.

Engineers playing around Question: Since you live in Michigan snow country, what kind of snow-related driving do you do with your pre-production test car? Have you tied a rope to it and pulled anyone in a sled behind the car during a snow storm? I've not tried pulling anyone in a sled, but have been in pretty deep snow, including some steep grades, and on glare ice. C8 Corvettes are remarkably capable with an all season or snow tire – especially the ERay.

Fuel Question: What does Corvette do with all the Gas Caps that they don't put on their cars? More importantly, what stops the gas from sloshing out? Fortunately we stopped ordering gas caps at about the time we designed them out of vehicles. There are 2 different valves inside of a capless system to keep any fuel and vapors from sloshing out. They must be pushed open by the pump nozzle to fill the tank.

Josh has a fun side Questions: What undergraduate school did you attend? Were you in a fraternity? I started at GMI (now Kettering University) in Flint, Michigan and accepted a bid at the Theta Xi fraternity. I transferred to Weber State University in Ogden, Utah before finishing my pledge work, so I never became a brother, but still have many friends I keep in touch with from that experience.

Travel Question: Can a trailer hitch be put on a C8 and if yes, what would it's towing capacity be? No. The rear bumper is made from carbon fiber, so an adequate hitch attachment will be very difficult. I hope no one tries it. Corvettes aren't rated to carry much of a rear axle load, so even if one could be attached, it really couldn't handle any tongue weight. Corvettes do have plenty of power and torque capacity and well as brake capacity so they would be good at pulling and stopping, but please don't attempt to pull a trailer.

Question: What kind of music do you favor? Have you ever played an instrument or sung in a choir? I'll listen to many genres, but prefer hard rock of the 80's (hair bands). I played drums in junior high and a guitar in a garage band for a while in my early high school years. I still have some guitars, but rarely play them anymore.

Shop Question: What is the tool you are the happiest you purchased for your garage? A lift – great for maintenance and storage.

VICE PRESIDENT'S MESSAGE

DECEMBER 28, 2023

The Vice President is in charge of competition events and is our club representative for our regional Umbrella organizations, Western States Corvette Council (WSCC) and National Council of Corvette Club (NCCC.)

I attended the Western States Corvette Council (WSCC) Members meeting on December 7 on Zoom. The meeting agenda included voting for the three open board seats. No one volunteered to be on the board so voting was canceled.

As outgoing social director, I will assist new social director David with any planning he would like for our 2024 activities. Our club members have enjoyed participating in Park and Show events. We've done several events, including at airfields and perhaps this year we may participate at the Blue Angels show, in addition to the Novato Nostalgia Days.

The club has a large contingent heading with the Corvette Caravan to Bowling Green. This that go will have lots of opportunity to socialize when not driving.

I am also planning a one-day excursion in 2024 when our National Corvette Museum attendees get to Bowling Green. The excursion will be a mini-caravan tour to Nashville and a visit to the Grand Ole Opry.

I'm hoping my son Ryan can travel with me for a day or two, and I am expecting Nora to meet me in Nashville for some fun in that great city.

If you've been considering this trip I would highly encourage you to make it.

Respectfully submitted,

Jeff

THE 10 CORVETTES COMMANDMENTS

**As a corvette owner,
I solemnly swear that I will abide by the
10 Corvette Commandments**

- 1. Thou shalt not loan a Corvette to anyone.**
- 2. Thou shalt not bring a Corvette to an automatic car wash.**
- 3. Thou shalt not fail to wave to a fellow owner.**
- 4. Thou shalt not swear at Corvette – for it is very temperamental.**
- 5. Thou shalt not cruise on an unpaved road.**
- 6. Thou shalt not pass a fellow Corvette owner in distress.**
- 7. Thou shalt not feed with budget grade fuel.**
- 8. Thou shalt not expose Corvette to severe weather conditions.**
- 9. Thou shalt not forget to activate alarm.**
- 10. Thou shalt not acknowledge a Porsche or 280 Z as being true sports cars.**
