July 26-We had our Social Drive-Led by Debbie Lamaison. There was a total of 21 Corvettes, 26 members and 2 guests leaving Kohl's parking lot in Petaluma after our "hello hugs" and signing our liability waiver. We drove to Stony Point Rd, Hwy 116 onto 101 North to Hwy 12 to Debbie's 40-acre farm in Santa Rosa. Her friend John directed parking our Corvettes all in a row as we were welcomed by her parents, Gary & Estella.

Gary has quite a collection of mostly Edsel's (1958 to 1960). He also had on display-1955 T Bird, early 1930's Plymouth, 1970's Firebird Trans Am, 1960 Ford Skyliner, 1965 Ford Galaxy convertible and a 1966 Ford Galaxy Convertible.

There were tables set up for us to dine on her BBQed tri tip and homemade delicious meat and chicken enchiladas as we listen to music from speakers over by her large hot tub.

We shared stories as the sun came out. Some of us even dared to try the hammocks.

It was a memorable day in a spectacular location we will be talking about for a long time! August 16th Saturday-Social Drive- Kevin & Betty taking us to Seghesio Winery, 700 Grove Street, Healdsburg for wine tasting and playing some Bocce.

Leave @9:30 from Lowe's Parking lot in Rohnert Park

Bring your lunch, the winery does prepare a charcuterie board for a fee. Seating is in front of the entrance with tables and umbrellas - there is a large parking lot for our Corvettes.

Wine tasting will begin at 11:00 am for a cost of \$30.00pp, however if you join the wine club the cost of 4 tastings will be waived.

We need a count on who will be tasting wine. Please respond if you wish to be counted for wine tasting. 12:30 is our reservation for Bocce Ball and there is no charge for our group. We can pick teams and enjoy! We need a count on who will be playing bocce. RSVP nbcamembercommunications@gmail.com

Vice President: Jeff Farber in Hawaii Steve B read

Jeff is happy to be here although he thought he was on his way to the Pinto club meeting.

As VP Jeff liaison's with our Umbrella Club WSCC established in 1965.

Attended Aug 7th Quarterly Meeting 15 people attended. WSCC Board is planning to reinstate annual WSCC dues at \$35.

Two WSCC board positions are open, Events and Publications

Also, the Secretary wants to retire.

WSCC shopped for "wheels moving" insurance received only one quote for \$500K/year.

WSCC does still provide D&O insurance to the member clubs, for the officers.

The 60th Anniversary is in Sparks Nevada

Club members should have received an email unless you joined NBCA in '24 or '25.

NCCC (National Council of Corvette Clubs) is the other umbrella organization we belong to.

We joined in 2024 to get Liability Insurance

As a national club most events are east of the Mississippi River

Annual Convention is in the Wisconsin Dells this year

Manages competition events for us (NBCA)

Auto-X is at Thunderhill on their skid-pad not on any of the tracks

One requirement of Thunderhill is to have a Certificate of Insurance

The Certificate of Insurance has been submitted.

Jeff and the Thunderhill received certificate, 2 hours after submission.

Trinity Touring our partner will be discussing event and informing their members as this is their last event, at their Aug 13th meeting.

Helen Landis who Auto-X's will not be there her husband Bill is in hospice for Cancer.

NCCC due to their structure Barbara our membership director is a Governor in NCCC and a point of contact.

Barbara participated in the July 31 Zoom Call with the Governors regarding competition rules and regulations meeting. It was 2.5 hours primarily focused on East Coast issues as virtually no events in the "West", so out of scope for our club, sanctioned events were being discussed.

They have both Sanctioned and Un-Sanctioned which is what our Auto-X is classified as Because we would be following their class structure etc..

Asked about waivers NCCC responded they know there is a contradiction with the Insurance Q&A's but want waivers for all club sponsored moving events Sept 13 NCCC will be voting to raise dues members from \$35 to \$45 and associates to \$15 or \$20.

These dues we pay cover our club for Wheels Moving/Rolling events with insurance.

Note the NCCC Insurance representative was not at the Governors meeting.

Steve Boyer added that NBCA will follow the NCCC Board recommendation to have signed waivers for all NBCA Wheels Moving events.

Our Auto-X registration is open and we have registrants - get registered please.

President: Steve Boyer

New Business:

Comments on safety while caravanning/driving/cruising to destinations.

Provide a guide to educate everyone to safely continue on any drive and know what to expect. Gloria asked everyone to please RSVP for events. The event to Debbie's on July 26th had 14 signed up and yet there were 21 that showed up for the event. Send your RSVP to nbcamembercommunications@gmail.com to be counted.

Steve B. contributed this ensures that there will be enough food, space and the destination is prepared for the head count.

Please be courteous.

Jeff suggested that the Ladies night event should have waivers signed. Gloria was planning on getting waivers signed.

Magnet Man - Kevin mentioned at the last meeting and made a presentation to the board. These magnets have pictures put on them 6 to a 8.5x11 sheet can do the clubs' shield, car pictures, license plates. If anyone needs a high-quality pictures Kevin will be glad to take pictures and get them to the Magnet Man in Lodi, He makes them at his house.

The Board felt that the magnets were not a good fit for the club to include to hand out or to new members etc.

Ken suggested we should order more of the stickers of the shield. And if we got stickers on the face side they can go inside and last longer than stickers on the outside of the car.

Wheel of Car Wash (for a \$20 Corvette Raffle at the NCM)

Winner of the Corvette raffle ticket was Ed Banfield

Note Ken won in 2016 and took the cash rather than a red automatic and ordered a yellow manual.

Kevin asked if there was any word on the Run Groups at the auto cross, i.e. how many run groups. There will be paired run groups like usual a work group and a run group.

Announcements:

August 20th next Board meeting at J28 design in Rohnert Park Sep 10th next General meeting at Sam's.

Jane Rittler moved to adjourn the meeting.

Ken Albers seconded the motion.

Motion approved by members present.

Adjourned the meeting at 7:30.

NORTH BAY CORVETTE ASSOCIATION VICE PRESIDENT'S MESSAGE AUGUST 21, 2025

Western States Corvette Council (WSCC) News

WSCC is hosting its 60th anniversary celebration in Sparks September 5-7, unfortunately conflicting with our 2025 Autocross.

This is WSCC's second planned overnight event of this year. For those members who joined in 2024 and 2025 and don't know, WSCC was a large western regional club association that we actively participated in. An accident at one of their events caused the loss of insurance and all of the clubs joined NCCC for insurance reasons. Some of our long-term members have remained active with WSCC.

National Council of Corvette Clubs (NCCC) News

Nothing new to report in regards to NCCC.

Autocross

Our club autocross is scheduled for next weekend September 6 & 7 at Thunderhill Raceway in Willows. Our club has been autocrossing for many years, and this is our only scheduled event for 2025. Last year, we did not host an event but some of our members participated in an autocross put on by Porsche clubs.

Our autocross events have always had significant participation from our membership. Our members have helped run the event with duties listed below:

Check-in desk
Car safety inspector
Starter
Finish line
Announcer
Scorer
Photographer
Course worker
Course setup

We typically have about 20 members help, and we're close to that number for this event.

While we used to compete against each other for annual awards, we now autocross for fun. This is our chance to enjoy a safe place to speed in our cars under control of the street.

And we have fun dining together while on our weekend trip.

There are some newer members have had fun cars and motorcycles. These members should join us so they can have fun with us in a perfect environment for Corvettes.

On a personal note, Nora and I had to put down our 13-year old adopted dog Benson. This was my departed brother and sister in law's dog that they had while raising their three kids. He was a great connection to our lost family members and will be sorely missed.

Last words...

Sudoku

You might be wondering about my Sudoku game playing. As of August 21, I was playing game #3578 of my Sudoku 10,000 game. At the time of the last newsletter I was playing game #3549.

I'm packing up and preparing for another speed event. I'm competing in the September 90 mile Silver State Race in Nevada. This is my first time racing in the September event. I'm running in the 135mph class. Wish me luck.

Respectfully submitted,

- Jeff
