## North Bay Corvette Association Membership's Director Report March 25, 2025

It's been very quiet for Membership this month. I haven't received any inquiries for membership information.

Sebastien has found a vendor for our name badges. They will not have the raised emblem on them but will incorporate the design right into the badge itself. Thank you Sébastien for your assistance with this project. It saved the club probably \$600.

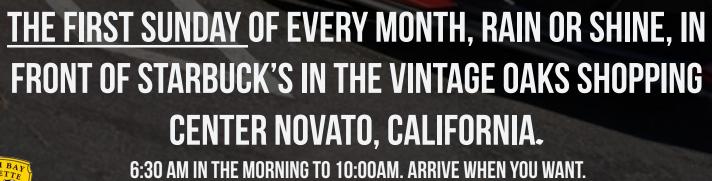

Steve and I attended the 2025 PCA-GGR Autocross #1 at Crows Landing with Mike Giordano, Steven King and Sebastien Jame. It was great fun, and we had wonderful weather. Jeff Farber assisted us with our numbers. We had to run with three numbers instead of two, so look how great they turned out. Thanks Jeff.

Hope to see you soon at one of NBCA's events.

## North Bay Corvette Association Social Director Report March 23, 2025

**March 5<sup>th</sup>** morning coffee Redwood Café, Cotati. We had another rain free day so some of us drove our Corvette's to our morning coffee. There was a total of 12 of us. Our orders ranged from eggs benedict to a bowl of oatmeal & amp; fresh fruit. Lots of coffee and even more "chatter." Conversations went from Corvette racing to shopping for new C-8's. Now we are looking forward to the next get together. Great friends-Great Club!

 $March \ 15^{th}$  -Social Drive-There were 4 Corvette's and one quest. We all met at the Pre Stage car event held at the Civic Center parking lot on Armory Drive. There were many many many cars to view. This Saturday Ferrari's were featured. There were also lots of other cars from older classis, customs and newer cars. A few Corvettes too. I led our drive leaving @10:15am. We started out driving through the main Civic Center arches and continued onto Pt. San Pedro Road. We only encountered one bicyclist, but somewhere along the way there was a small pickup truck with their flasher lights on driving about 5 miles per hour. They finally pulled over after my honking and flashing my lights so we could enjoy the windy drive in our Corvettes. We took a turn down to Mc Nears Beach and walked out to the pier talking to the fishers who were catching fish. We enjoyed the aromas from their portable BBQs grilling the fresh fish they just caught. We continued our drive on San Pedro Road making another stop into the Lock Loma Marina for another photo shoot. Out of the Marina, we continued San Pedro Road turning onto Summit "wig waging" up and down on Deer Park. We did a drive through Dominican University and ended up at San Rafael Joe's, 931 4 th St, San Rafael for lunch with so many choices to choose from. We dined on Calamare, Pot Roast, Burgers, Pasta, desert and coffee. It was a small intimate group, and we found through our conversations that we all had so much in common not only Corvettes.

March 15<sup>th</sup> -Porsche Club of America-GGR Autocross #1 was held at Crows Landing NASA. There was a 'full house' totaling 81 drivers competing in 71 different cars! 5 of our Club members participated knocking down -0- cones! What a fun group! Thank you to PCA-Golden Gate Region for this great event.

## North Bay Corvette Association Vice President's Message March 22 , 2025

#### Western States Corvette Council (WSCC) News

WSCC has some very good news...the lawsuit that held up WSCC's ability to obtain liability insurance for wheels moving events has been settled. WSCC can now shop for insurance and if affordable, can provide that insurance to clubs again. The fact that NCCC has very limited events in Northern California might make WSCC a viable association again.

While the competition minded members will head up to Thunderhill on September 5-7, those not going to autocross should consider supporting WSCC by attending their 60th anniversary celebration in Reno during those same dates.

Also, they are planning an overnight trip to Oakhurst, CA on May 31st. You should have received an email directly from WSCC with all the details.

WSCC recently moved their website to another hosting company and the site is back working after being down for a week. The site is largely outdated but there are some car show listings for 2025. I will send them our autocross flyer for their event listings.

#### National Council of Corvette Clubs (NCCC) News

Steve and Barbara Boyer attended the last meeting of the West Coast Region by Zoom. They learned a bit about NCCC especially their finances. They are running at a deficit and spend money on things that they should not be. They have been mailing plastic membership cards to every member that must cost in the tens of thousands annually. While the cards are attractive, they serve no real purpose. And NCCC pays for their regional club governors to attend regional meetings. It will be interesting to see how NCCC tightens their spending over the year.

#### Sudoku

I am asked daily about my Sudoku game playing. As of March 23, I was playing game #3329 of my Sudoku 10,000 game. At the time of the last newsletter I was playing game #3288 (less than 50 games in the last month) in the Moderate game group.

Respectfully submitted,

## NORTH BAY CORVETTE ASSOCIATION PRESIDENT'S REPORT MARCH 25, 2025

Last month, Barbara and I joined the "Three Musketeers" of NBCA's Auto Crossers, Mike, Steve and Sebastien, at autocross number 1 for the Porsche Club of America (PCA), Golden Gate Region (GGR), in Crows Landing.

"The details!" Getting accustomed to their layout, i.e. utilizing apex cones with pointer cones, was a little challenging, but I think we ought to think about doing it ourselves at our autocross in September.

I was impressed by how welcoming everyone was at the event. There were several other car-makes besides Porsche and Corvette, like Alpha Romeo, BMW, Cadillac, Mazda Miata, and others, including a Formula Ford. Zoom, zoom!!!

If Barbara and I weren't already committed to other events, I would love to go to their next autocross at Salinas Municipal Airport on April 12<sup>th</sup>.

See you on the road. Until next time, Save the Wave.

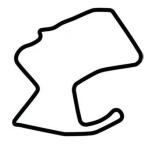

#### Respectfully, Steve Boyer, President
